Citizens Committee Presents Proposal

**Would Finance New Building
 Projects and Site Purchasing**

BY HENRY CANTIN
 ANP Staff Writer

ROMULUS--The Board of Education for Romulus Community Schools has under review and study a recommendation calling for the issuance of a new bond issue to finance new school construction and school site purchasing.

The recommendation was presented to the School Board by the finance subcommittee of the school system's Citizens Advisory Committee, Robert L. McConeghy, school superintendent, disclosed.

The bond issue, if and when approved by state officials, would encompass the construction of two elementary schools, a junior high school and school sites.

The finance committee recommended that the School District begin immediate action on the proposed new building program. ***

THE SCHOOL BOARD is studying the committee's report and application to Michigan Finance

for bond issue approval, McConeghy said.

The school district's current building fund is being used to finance present school building construction that embraces a new elementary school--The Merriam Road School--additional classrooms to the Cory and Mt. Pleasant Elementary Schools, additions to high school facilities and new high school auditorium. All approved by the voters.

McConeghy reported that present building programs are proceeding according to plans and on time, except the new elementary school.

Plans on this structure are scheduled to be reviewed by the School Board at its April 28 meeting.

The Citizens Advisory Committee was formed two months ago. The chairman of the finance subcommittee is Rev. Frank R. Leineke, pastor of United Methodist Church of Romulus.

Romulus Parents Form New Merriman School PTA Unit

ROMULUS -- A group of about 20 young Romulus parents met with school and PTA officials at Harrison School, for the purpose of electing and installing officers for the new Merriman Elementary School PTA. The meeting was held at 7:30 p.m. April 9.

The By-Laws, prepared by the steering committee for the organization, were read by Mrs. Diane Knight and Mrs. Mary Mahon and were adopted by the membership.

Those nominated and chosen as leaders for the newest PTA unit in Romulus Township were: Bob Knight, president; Tony Schroeffel, vice-president; Mrs. Judi Robbins, secretary; Mrs. Monika David, Treasurer.

Mrs. Helen Neville, district

director was the chairman for the meeting and Romulus Council president, Mrs. Beverly McAnally, acted as the installing officer for the new leaders. ***

SUPERINTENDENT OF SCHOOLS, Robert L. McConeghy, was the guest speaker giving a brief history of the school district. McConeghy discussed some of the problems facing a burgeoning community in providing quality education for its youngsters.

The Merriman School, according to McConeghy, is scheduled to be ready for use by the second semester of the 1970-71 school year.

A question and answer session followed with residents inquiring about district boundaries, bussing,

facilities to be included in the building and staffing.

Gordon Zavitz, PTA member from the Hayti district, welcomed the new group into PTA work and issued an invitation for them to visit Hayti for their next meeting on April 21.

Coffee and refreshments were served following the meeting.

Those deserving special recognition for the organizational work in preparation for the election and installation of the Merriman PTA are:

Mr. and Mrs. Clarence Mahon, Mrs. Pauline Bartolo, Mr. and Mrs. Richard Luh, Mr. and Mrs. Carol Barndollar, Mr. and Mrs. Tony Schroeffel. (See PARENTS, Page 3)

To Cover Every Facet Brochure Authorize

ROMULUS--The Industrial Coordinator of the Romulus Industrial Commercial Development Advisory Committee, has approved what might be the most comprehensive information brochure ever developed on the Romulus Township area. This Brochure has also been endorsed by the Township Board of Trustees, Jacob Golany, Industrial Coordinator, said.

The brochure will cover every facet of the Romulus area, including history,

educational facilities, transportation, recreation, population and growth, churches, libraries, hospitals, and other cultural and economic factors, with special emphasis on industrial potential growth in this community.

Golany, noted: "This book will tell the whole story of the Romulus Community and provide a most useful sales tool which this community can use in attracting new industry, businesses, and professional (See BROCHURE, Page 3)

Lolich Wins Fourth Stripe

ROMULUS--Mickey Lolich is wearing something new besides his World Series ring--a fourth stripe.

He's Staff Sergeant Lolich now, and as proud of it as he is of the ring.

Lolich joined the Michigan Air National Guard in August, 1963, his first season with the Tigers.

Starting as a driver in the motor pool of the 191st Combat Support Squadron, he worked up to supervisor in 1967, when he received his third stripe. He has charge of ten men in his present post. ***

SINCE THE World Series made Lolich a national celebrity he has made numerous good will appearances as a representative of the Air Guard, visiting hospitals from Hawaii to Kalamazoo and serving as 1969 chairman of

the March of Dimes in Macomb County.

Other stops came at the St. Jude Boys Ranch in Boulder City, Nevada and at Cape Kennedy prior to the historic moon shot. There he spoke to a group of IBM technicians working on the Saturn 5 rocket.

All of Lolich's appearances came in addition to his normal duty with the Michigan ANG--one drill weekend a month and two weeks of field training.

The Tiger pitcher, like any other guardsman, earned his fourth stripe by completing a correspondence course and passing a proficiency test.

Now Mickey will get a chance to put his knowledge into effect when the 191st Tactical Reconnaissance Group of the Michigan Air National Guard goes to field training April 19 thru May 4, 1969.

CHARTER COMMISSION GETS AN ASSIST--Romulus Charter Commission received an assist from the Romulus Girl Scout Troops in the mailing of a Citizens Survey Form that will be used as an aid in planning a new charter for the township. Left to right are Felix F. Rogalle, chairman of the Charter Commission; and Grace Barzart of Girl Scout Troop No. 409; and Kathy Lorenz of Girl Scout Troop No. 345.

Charter Commission Hears Auditor

ROMULUS--Frank Smythe, township Auditor, spoke to the Romulus Charter Commission last Wednesday, April 9, regarding possible costs for running a new city. Not being prepared to answer the many different questions asked, Smythe is to return at a later date with more statistics at his command.

He did say, however, that the city would be receiving state funds for maintaining the major roads besides receiving state reimbursement of sales tax and intangible tax.

He added that "you should have an accounting department responsible for paying all payroll and other bills, rather than allowing some larger city departments to handle their own accounts."

A Department of Public Works can have their employees working in many areas and have time charged back to the area of work concentrated on.

A total of 10.2 mills is being levied now in Romulus, which includes that for Water and Sewer, County and State

taxes, cost of running Township Government, and payment to the Peoples' Community Hospital Authority.

Kathy Lorenz and Grace Barzart, Girl Scouts, from Senior Troop No. 345 and Cadet Troop No. 409, were in attendance.

There will be no meeting of the Charter Commission tonight (Wednesday) but meetings will be resumed next Wednesday, April 23, to discuss results of the Citizens' Survey reports.

CAMPAIGN PLANNED

Wayne County Home Rule Vote In 1970 Primary Recommended

It appears that another attempt to achieve county home rule in Wayne County will be postponed until the statewide elections in the fall of 1970 because of the high cost of holding a home rule election any sooner.

Spokesmen for organizations which supported the county home rule proposition, which was defeated 362,299 to 316,459 in the general election last Nov. 5, agreed on postponement in a meeting with a committee of the County Board of Supervisors, Wednesday, April 9.

The agreement hinged on a commitment that the Board of Supervisors will place the county home rule proposition on the ballot for the 1970 primary. ***

THE MEETING was held by the Supervisors' General

Government Committee, which several weeks ago voted in favor of another county home rule election "as soon as practicable."

At the same time, the committee asked for estimates of what a home rule election would cost if held at various times.

It was estimated that a county-wide election held in conjunction with the Detroit municipal elections next fall could cost a total of \$496,930. If a special home rule election were required by initiative petition, a resort which has been discussed within the county, the total cost could be \$891,930.

In contrast, no extra cost would be involved if the proposition were placed on the county-wide ballot next fall, the committee was told.

At Wednesday's meeting, members of the committee voted unanimously to recommend that the Board of Supervisors adopt a resolution declaring its intention to place county home rule on the ballot next fall. ***

ADOPTION OF THE resolution placing the proposition on the ballot must be delayed until later because the Michigan County Home Rule Act requires that the election be held within 180 days of adoption of the resolution.

Those at the meeting included Bruce Miller and Henry Sladek, Democratic and Republican county chairmen respectively, Ernest Dillard, a United Auto Workers Union spokesman, and William H.O'Brien, executive secretary of the (See HOME RULE, Page 3)

Discussion on Drugs Set at Huron School

NEW BOSTON--Concerned parents and teenagers will have an opportunity tonight (Wednesday, April 16) to find out just what happens when young people experiment with drugs.

Dr. Willis Moore, Associate Professor at the Wayne State University School of Pharmacy will discuss drug abuse, its physical effects and the availability of drugs in our area.

Often, it is difficult to

know when a teenager is using drugs until it is too late. Perhaps through knowledge of the dangers involved we can keep this serious problem from gaining a foothold in our community.

The Huron-Sumpter Association for Community Affairs (HSACA) is presenting this program, the first of a three-part series, at Huron Junior High School starting at 8 p.m. There is no admission charge.

Next week, April 23, a discussion of the Job Corps

and what it can do for the young people in our community.

Low Bids Received

The State Highway Commission has received low bids totaling \$5.8 million for 22 highway construction and maintenance projects in 21 counties.

The bids included \$1.6 million for construction of median guard rail and shoulders on Interstate 75 in Monroe and Wayne counties.

PITCHING FOR ANOTHER TEAM--Major Stephen J. Kuchta (right) commander of the 191st Combat Support Squadron and Belleville resident, congratulates one of the Michigan Air Guard's newest NCO's Staff Sergeant Mickey Lolich, Detroit Tigers famed pitcher.

NEARS COMPLETION--Construction of the new St. Anthony's Catholic Church of Belleville is progressing according to schedule. Above is a progress view of the community's new church. When completed the new structure will have a seating capacity of 850. The architect is Walter J. Rozycki and Design Consultant is John Stevens. Rev. Albert J. Foltz is pastor. The church, located on West Columbia, will replace the present gymnasium type church which will be converted into an athletic center.

Boaters Issued Reminder On Licensing, Registering

Even with the vacillations of Michigan's changing weather patterns still much in evidence, one incontrovertible fact stands out...it's officially Spring and a good time of year to be thinking about boats and boating.

The two laws involving licensing and registration of boats in Michigan are administered by the Michigan Department of State. The boat plate law ... Public Act 70 ... was passed way back in 1911.

And, Secretary of State James M. Hare said this is the best time to get license plates for your boat if it qualifies under Michigan law.

Sale of 1969 Michigan boat license plates began recently at selected branch offices of the Secretary of State.

BOAT PLATES must be purchased each year. The boat plate law must not be confused with motorboat registration and numbering which is set up in three-year cycles.

Hare said about 48,000 boat licenses were issued in 1968.

The only exceptions to the boat plate law are canoes of any length with motors of less than two horsepower. These units do not have to have boat plates.

If you are not sure if your boat qualifies for boat plates, you can measure it yourself. It should be measured from the tip of the bow (front) to the back of the boat.

BOAT PLATES must be

displayed prominently, front and back with one plate on either side of the boat. They should be placed to be easily seen at all times and attached so that any tarpaulin or other boat covering will not hide them.

Following is a listing of annual boat plate tax rates:

1-16 feet...but not over 20 feet.....	\$5.00
over 20 feet...but not over 28 feet.....	\$15.00
over 28 feet...but not over 35 feet.....	\$25.00
over 35 feet...but not over 42 feet.....	\$35.00
over 42 feet...but not over 50 feet.....	\$45.00
over 50 feet...but not over 65 feet.....	\$75.00

Boats longer than 65 feet are based on \$1 per foot and \$1 per ton additionally for each registered gross tonnage.

Burglar Alarm Installed

BELLEVILLE--A burglar alarm has been installed in Sumpter Elementary School, James Egan, business manager of Van Buren Public Schools, announced.

Installation of the \$875

burglar alarm system was completed last Friday, April 11. It brings all Van Buren District Schools under a burglar alert system. The equipment was ordered last September, Egan said. A break-in at the school was reported last Thursday, April 3. Instructional materials including two tape recorders were taken in addition to some old coins, a Civil War sword and miscellaneous items all valued between \$800 and \$900.

Some cases and other items were found damaged, Egan said.

TelephonePioneersOpenUsed Eye Glass Drive

The week of April 21 has been proclaimed by Governor William Milliken as "Telephone Pioneer-New Eyes for the Needy Week" in Michigan.

Pioneers are telephone employees who have 21 or more years of service, and, of the 27,000 Michigan Bell Telephone Company employees, 10,470 are members of the Telephone Pioneers of America. What have they to do with new eyes for the needy?

Edward H. McNamara, Michigan Bell manager, said that in the past two years Pioneers collected 100,000 pairs of used eye glasses that were reconditioned, sterilized, and sent to the needy in all parts of the world.

Notes of thanks in many languages have come from recipients from the bottom of South America to the foothills of the Himalayas.

Pioneers throughout the Bell System help New Eyes For The Needy, Inc., a charitable organization in Short Hills, New Jersey. In nationwide collections, the organization receives about a half million pairs of glasses yearly, and sends about 42,000 pairs overseas.

Michigan Bell Pioneers are members of what is named the Wolverine Chapter, which is divided into eight councils and 28 "Clubs."

Part of the Governor's proclamation reads:

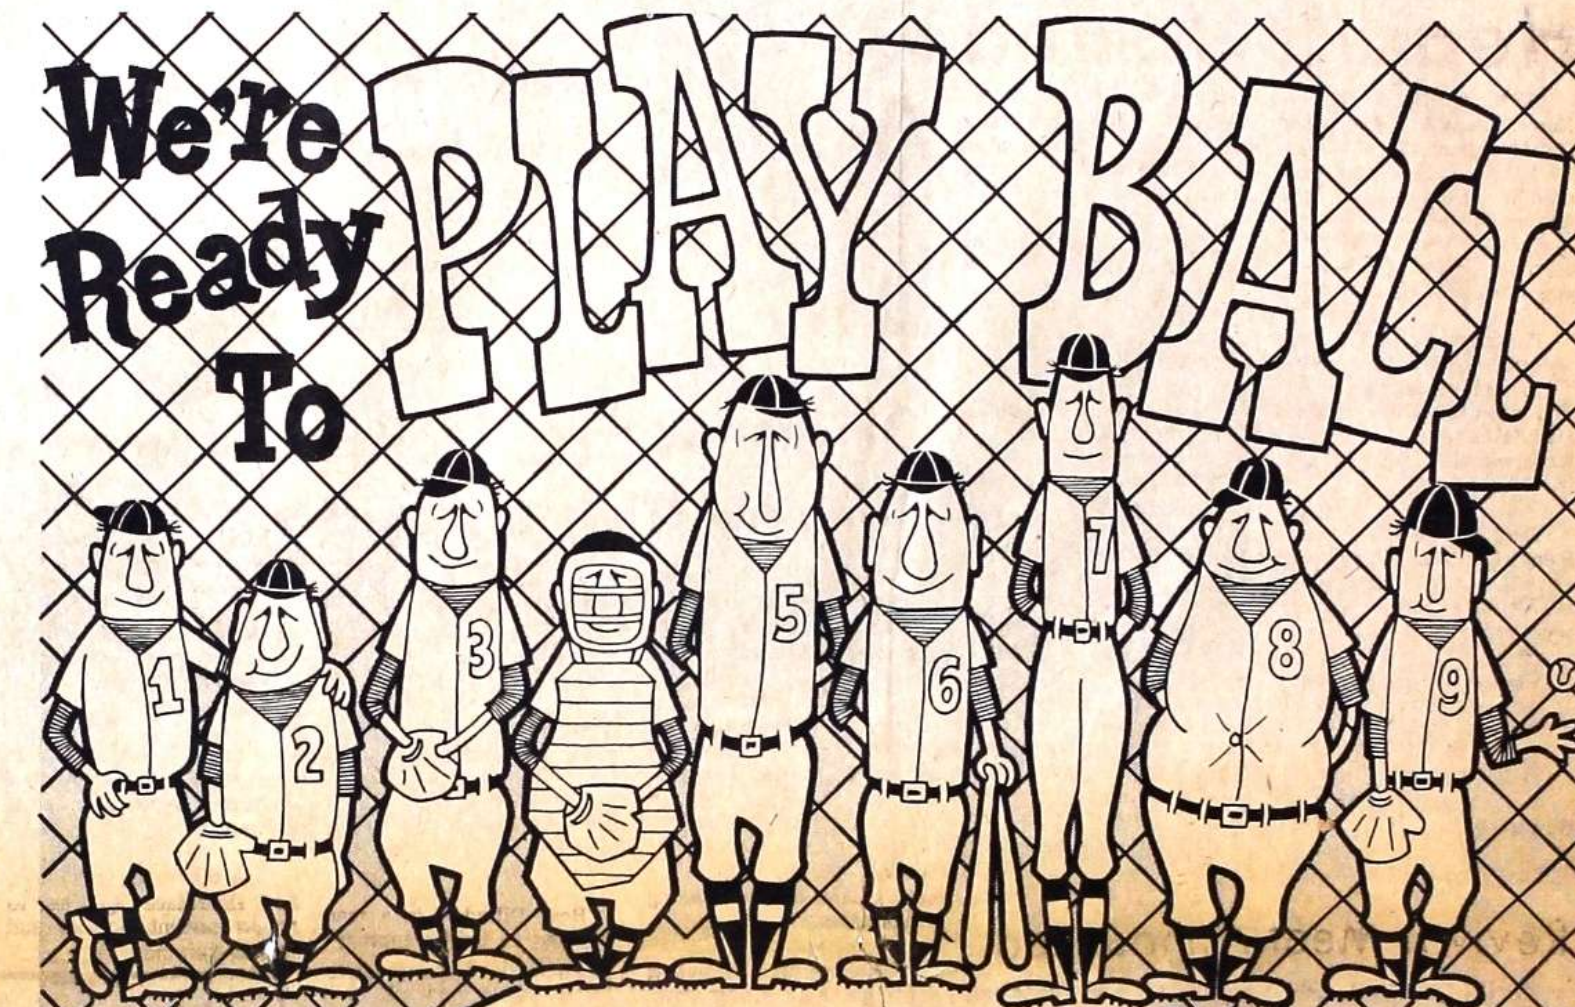

"The Wolverine Chapter has in the past year contributed in excess of 9,000 hours of time to assist others less fortunate. Its projects include the collecting of clothing and Christmas gifts for children on Indian reservations in Michigan, giving hearing tests, modifying and repairing of several thousands of talking book machines, and making recordings for the blind. The Pioneers have been acknowledged by New Eyes For The Needy, Inc. as one of their staunchest supporters."

McNamara said containers for those wishing to donate unwanted glasses will be located in every Michigan Bell business office throughout the state beginning April 21.

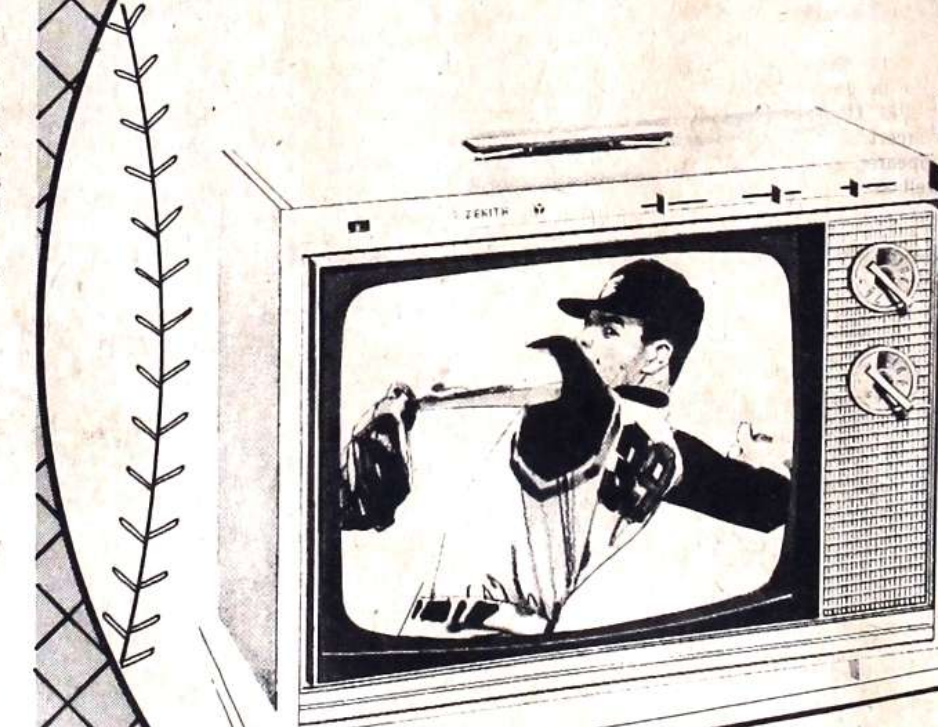

The Pioneers are also asking for old jewelry. Stones of some value are saved. Gold and other metal is melted down, and then sold for cash along with the stones.

The cash, in turn, is used to buy new eyeglasses for needy people in this country.

ANP Photographer Returns From Stint with Marines

WAYNE - Rejoining the Associated Newspapers this month is staff photographer, Ronald Zielinski, 23, who worked for Associated two years prior to his 4 years in the U.S. Marine Corps.

Zielinski, a graduate of Wayne Memorial High School, was a combat photographer and machine gunner in Vietnam where he was awarded the Presidential Unit Citation for taking part at Khe Sanh, the Air Medal for flying more than 20 combat missions, and the Combat Aircrewman's Wings for 31 combat missions under enemy fire.

The photographer also was awarded a military photo trophy while in basic training at Camp Pendleton, California.

While in the Marines, Zielinski took a three-month photography course and a two-month journalism course.

The photographer first began his camera work in high school on the yearbook. His later training was obtained while under the tutelage of Associated's chief photographer, Lothar Konietzko.

Now living in Westland, Zielinski is married and has one child.

"In addition, other firms and organizations should find the brochure very useful in meeting their particular needs for recruiting and as a community sales tool," he added.

The brochure will be tastefully arranged in a non-commercial format of pictures and editorial copy in two and four colors. The cost of publishing the brochure will be underwritten by advertising space purchased by the business community.

The committee will assist Tri-State Publications, a local Livonia Michigan firm, in securing editorial material, historical data, and other pertinent information.

The committee will receive an adequate supply to answer inquiries about the Romulus area for the next two or three years.

Omega Singers are at Romulus High April 19

ROMULUS--The Omega Singers from Detroit will appear at Romulus Senior High School on April 19.

The new contemporary sound of the Omega Singers combines the excitement of abundant Christian living and the enthusiasm of youth in gospel, patriotic and folk music. Accompaniment of drums, guitars, banjos and brass creates a most thrilling presentation.

Their director, Don Bell, is a former stock broker from Los Angeles, California. In 1966 he entered full-time music, and is now minister of music at First Church of the Nazarene, Detroit. His dedication and vital personality create an awareness of faith in action.

THE FUTURE is bright for the Omega Singers. Their first record album "Don Bell and the Omega Singers" is in great demand. It is a lively and inspirational recording.

The Omega Singers are also in great demand. Each week finds the group in concert. Recently they have appeared in many churches as well as civic and high school

auditoriums in Michigan, Ohio, Indiana and Canada.

The Omega Singers communicate the "Good News" of the Gospel. You will enjoy their informal, yet sincere approach.

Nationally known Jimmy DiRaddo will be the special youth speaker for this city-wide rally.

Rev. DiRaddo is a man who has a unique approach to the needs of young people. Both young and old will enjoy this challenging service.

Details Romulus Community Relations Set-Up

ROMULUS--The Romulus Township Community Relations Commission was approved by a Township ordinance in September, 1968.

The purpose of this Commission is to "Encourage and bring about mutual understanding and respect among all groups in the Township, eliminate prejudice, intolerance,

bigotry, discrimination and disorder occasioned thereby, and give effect to the guarantee of equal rights for all assured by the constitution and the laws of this state and the United States."

Nine members were appointed to the Commission by the Township Board, and the Commission held its

organizational meeting on October 7, 1968. The Commission Members are:

Jason Lovette, Chairman, three-year term;
Otha Jones, vice-chairman, two-year term;
Elvera A. Fischer, secretary, two-year term;
Ronald Bird, three-year term;
Ruth McIntosh, three-year term;
Gene Mulberry, two-year term;
Lester Hart, one-year term;
Frankie Shreve, one-year term;
John Wagner, Jr. one-year term;

WHAT DOES this mean to the average citizen?

Any individual having a complaint of discrimination based on race, religion, ethnic group or any other cause may file a complaint with the Commission, who will cause such complaint to be investigated and attempt to bring about a reconciliation and an easing of tension between the parties.

If such an attempt should fail, the Commission will address the complaint to the

appropriate agency with power to deal with the situation.

The Commission meets on the first Monday of each month at the Urban Renewal Office, corner of Wayne Road and Park Place, at 7:30 p.m. The public is cordially invited to attend.

At the meeting held on April 7, Policy Chief Jacob J. Koch spoke to the group on the police protection available to residents of the Community and outlined plans for the foreseeable future and explaining the function of the auxiliary policemen and three regular policemen on duty eight hours per day.

Jaycees Get Approvals

ROMULUS--A request by the Romulus Jaycees to place trash containers in the downtown area of Romulus Township was approved April 7 by the Township Board.

The Board also instructed the township rubbish and garbage collector, Canejo and

Sons Trucking Company, to empty the containers when required.

The Jaycees was also given permission to hold their spring Festival on June 2 through June 9 on the Lamber property.

Romulus Checking Insurance

ROMULUS--A motion calling for a 60 day extension on Romulus Township fleet insurance policy and for advertising for new bids on all casualty insurance now covering various aspects of township operations was approved by the Township Board last week.

Trustee Roderick Smith, who made the motion, was supported by Trustee James Stewart.

The 60-day period will be for insurance agencies to review present policies and submit their bids.

Course Announced

ROMULUS--The popular Gabriel Richard Leadership Fundamentals Course will start Thursday, April 24, at the St. Aloysius School in Romulus. Instruction begins at 8 p.m.

The course is open to anyone seeking self-improvement and the ability to influence others in Christian principles.

The total cost is only \$30. This includes all books and tuition. The family and student rates are even lower.

Citizen Help Needed To Honor War Dead

Twice in recent months rumors of the deaths of local boys in Vietnam have swept through Inkster. One woman, trying to track down the rumor called City Hall, a local Gold Star mother, and Associated Newspapers.

But the fact is that it's very difficult to find out when a local boy has died in action in Vietnam. The city governments are not informed and the local newspapers are not informed.

The wire services provide lists of casualties to the metropolitan dailies, but recently, one boy listed in a Detroit daily proved impossible to track down locally. Perhaps his mother had remarried or there is some other explanation. But the fact remains that this young man who had given his life for his country remained unhonored in his own city.

The same problem exists throughout Western Wayne County. Westland, Wayne, Garden City, and Inkster each have their own way of honoring war dead--if they can find out about them.

In addition, this dearth of information makes it virtually impossible to track down rumors. In the second case mentioned here, the boy who was supposedly missing in action was listed as such when his equipment was found among the belongings of other missing soldiers. Actually, he is safe and sound, but the rumor mill goes grinding on and disturbs

ing information of this type is very hard to verify.

One neighboring community that has an excellent way of handling this problem is Dearborn. But a call to the city's Research and Information Dept. revealed that their direct line to Washington had been set up only through the intercession of a local Congressman and after many hours of long-distance phone calls to the headquarters of each of the services.

The communities of Wayne, Westland, Garden City and Inkster together equal Dearborn in size, but it is unlikely that the branches of the armed forces would be willing to set up a similar arrangement with four different city governments.

All we at Associated Newspapers can rely on is the interest of our readers. If you hear a rumor of a Vietnam death in your neighborhood, try to track it down and let us know. If you feel shy about it, give us a call and we'll track it down for you. It is not fair to ask a young man to give his life on a foreign shore for his country and not even mark his passing by a lowered flag or a "rest in peace."

Of course, this problem will end only when war ends--the Vietnam war in particular and war in general. However, until such time as war ceases, it is our duty to honor these men, as best we may, for making the ultimate sacrifice.

Need More Study On Conduct Code

The Michigan State Board of Education presently has before it a comprehensive report with recommendations concerning the controversial subject of "dress and behavior" for secondary school students.

The guidelines set down by the investigating committee which compiled this report were based on "sampling" questionnaires which were sent to public school administrators throughout the state. The results from the questionnaire show that not all secondary school administrators treat problems related to the student-parent-school relationship uniformly.

Questions posed to the administrators included such matters as censorship, student expression and freedom as well as others and the practices employed or established in each of these areas by the respective schools.

Where there was the most wide divergence of policy concerning a particular area in the student-parent-school relationship was in regards to corporal punishment which more than half of the schools sampled allowed on their students. Treatment of married students also varied substantially with about one third of the schools not allowing them to attend classes at all while the balance indicated to a large measure that married students were restricted from involvement in extra-curricular school activities.

In still another finding of the report committee, it was pointed out 65 percent of the principals responding to the poll indicated they felt it "incumbent upon them to support

a teacher in any conflict that arises between a student and teacher."

All of the findings of the questionnaire point out and support the committee's basic premise that "guidelines" are lacking to bring about uniformity in handling situations arising from problems in the student-parent-school relationship.

We would be quick to point out, however, that one major consideration should first be tended to before urging any change in the present manner of administering to the important areas of the student-parent-school relationship. Is it really advisable or necessary to have all school districts conforming to the same set of principle guidelines. And, moreover, does the existing divergence of policies really adversely affect this relationship?

We wholeheartedly endorse the opinion of the Wayne Community School District's Board of Education position which called for more study and investigation before the State Board of Education decides to take action on the committee's recommendations.

REFLECTIONS

A Verse from the Bible

By JOYCE HAGELTHORN

When I was a little girl, I was raised on the Bible. For every hurt, every slight, every tragic moment in a youngsters life, my mother had a verse that would either explain, or comfort.

Naturally, there came a time when I got so smart I knew all about the Bible... that the whole thing was but a myth. However, my new found intelligence didn't daunt my mother a bit... and she just went right on reading her Bible, and taking her little "Verse for the Day" from the box on the kitchen table.

While my mother didn't hold with any definite dogma, she did believe she walked hand in hand with God, and that if God had anything to tell anyone, he would make sure he told her right away.

By osmosis I got a good, thorough knowledge, that somehow, has remained with me much more firmly than the "myth" idea with which I used to torture my family.

But I really wasn't thinking much of the Bible when I married my chosen one. Actually, I didn't think about it much until a few months after we were married when sitting

around with a group of friends, the Good Book came up in the conversation.

It came up because I mentioned something about Hagar being driven out in the desert because her lover's wife didn't want her around anymore.

Not one of them knew who Hagar was. I got downright smug... and they went home.

My bridegroom closed the door on them and then turned to me.

"Who's Hagar?" he shouted.

Well, now, how can anyone get raised without knowing who Hagar was? I guess I was pretty superior about it, and finally I got to my gym and he turned and stomped off into the bedroom and brought out his hidden treasures... a Sunday School perfect attendance pin... and his Eagle Scout Award.

As the kids came bouncing into our house I thought I should give them the same kind of comfort I had received. The only thing wrong with that was that I could never remember the right verse for the moment... so I settled on making them write a hundred times, "Honour thy father and thy mother saith the Lord," everytime they sassed me.

This didn't give them too much knowledge of the Bible, but it did give them writer's cramp. I never have figured out how to give them tongue-cramp.

But somehow they did a bit of growing, and the other evening some of them were sitting around the fire with me, when one of them asked if I had seen "The Ten Commandments?"

"Man, that was really tough," she said. "All that blood and gore, and thunder and lightning. Do you think they really did all that that way?"

"Oh sure," I answered. "The Old Testament is a most reliable history of that era."

"Hmmm," she said, and then not wanting to learn too much, she rushed in, "the part that was really groovy was when God turned all of that sea into blood."

"Oh, he didn't do that," I answered. "The Bible says the sea parted, but it doesn't say it turned to blood."

The kid looked at me and then said pitifully, "Gee, Mom, you'd better go see that movie, since the Bible doesn't tell it straight."

'IF IT FITZ...!'

There Will Be More Ikes

By JIM FITZGERALD

Seeing as how I used to wear his jacket, it should be ok if I add a few late words about Dwight Eisenhower.

This country does a magnificent job of burying its super-heroes. The national orgy of mourning is splendidly reported by TV and newspapers. But as a man who winces when brought eyeball to eyeball with another person's grief, I am about all winced out.

The TV camera kept trying to peek through Mamie Eisenhower's black veil. The same way it bored in on Jackie and Ethel Kennedy and Coretta King when they were new widows. I looked, but then I looked away. Finally, I pushed the "off" button.

I don't think Mrs. Eisenhower's tears are that much of my business. Some people like to follow ambulances and sit in the front row at wakes. TV caters to viewers who want a close-up look at how the family "is taking it." To each his own, but not for me, thanks. I kept thinking someone should pull down the shades.

But what I started to say is that the communication media were obviously ready for Ike's passing.

His death was a threat for several weeks and the obituaries were written and ready to print. Old news film was racked and poised. All over the world, big shots had their eulogies rehearsed and mimeographed. Not much was left unsaid. But there were a couple of things...

There seemed general agreement that Ike had served as a "father image" for his country. He was Mr. Nice Guy; stern but with a wide smile that crinkled his eyes and forgave his critics their sins. More than anything else, "it was the character of the man," said President Nixon, that made him a beloved leader.

I wouldn't argue with any of that. But then so many of the mourners went on to add that Ike was "the last of his kind." Their meaning was clear: No more Mr. Nice Guys. The world is full of hippies and crooked politicians and crime-in-the-streets and Communists and tax loopholes. There'll never be another Father Eisenhower to lead us to victory over our foes and our bad habits.

I don't agree. I think the potential leaders, the saviors, are out there somewhere. Egad, it could even be some young radical wearing a beard

and carrying a sign. Or a Peace Corps volunteer in India. This country is producing young men and women who care about the future of the world - all of it. They see through the fuzzy thinking which preaches equality but flinches when black touches white. They smell the phony stench when a politician decries muggings while doing business with the Mafia. They see the hypocrisy in decrying bloodshed while dropping bombs.

The Ike-like leaders are there, but with no World War II to shine in. They are doing and saying what must be done and must be said. The trouble is, not enough people are listening. Yet. But the stirrer-uppers are mostly young. There is time and I am optimistic: They shall overcome.

The last comment is for Ike's last moments. He died in bed, his heart worn out, at the age of 78. No one shot him. It was nice, for a change to have a national funeral with no blood dripping.

This country needs more lives like Ike's. Also more deaths.

The Woods Come Alive

Somehow, A Way To Live

By DICK MCKNIGHT

It is difficult to write about the Vietnamese War, particularly if you oppose it. Men's lives are at stake. There are men in Vietnam who die and are injured, and they are our neighbors and those we love.

To oppose this war is to believe most sincerely that these men will be in some way helped, and that our nation will be better for having realized that this war is a real tragedy, and will end it before more die and are injured.

One man who is in Vietnam is Spec. 4 Duane Barns. He is from Westland and he thinks. That is why we must respect what he says.

Duane Barns wrote to me after he read a column of mine that appeared three weeks ago in this same spot. The column was "Patriots Come In All Sizes," it objected to those who would characterize those opposed to the war as unpatriotic.

Spec. 4 Barns says, "You mention 53,000 deserters because of the failure of punishment. Well, there are 10-15 thousand 'line troops' or 'straight legs,' infantry men who 'hump' the paddies that 'Mr. Charles' (VC) gives the severest punishment to he can deal out.

"(You) imply that if one deserts he disagrees with the foreign policy. And if you go to Nam you agree with the policy. If you desert you antagonize family, friends and many Americans, but you can still build a new life with new friends. But if you don't desert and come to Nam and happen to be the one out of 5 or 6 that go to the field to face 'Chuck,' you may have a new life with old friends and family but without an arm, a foot, or an eye. Or may be you won't have to go through the rigors of facing the problems of life at all."

Spec. Barns then speaks about a selfish motivation to desert, and he suggests that those who desert should be true to their beliefs just as the first Christians. "There are men here that are martyrs for their belief in their country or what their country asks. Why should there be a double standard for those that go and those that won't?"

And who will make the best future leaders, he asks? "Do those that ran to another country and did not face the challenge exhibit the strength that our leaders must have. Or can we call on those that face the challenge of enduring the policies until they can become the leaders... and put their beliefs into effect."

Spec. Barns goes on, "War is not moral. There never was or will be a war that is moral. But never let yourself think that those that fight this war in the paddy aren't moral. When you've watched one buddy died, another have his arm blown off, then you catch the VC who probably set the boobytrap, and not a man lays a hand on the VC, this has to show conscience or some mark of morality."

He says it is wrong to consider the men in Vietnam sheep to blind responsibility. And he asks about what patriotism really means. "What about the man who gives of himself for another human being," and he tells of acts of heroism by men and medics attempting to save the life of another soldier under heavy fire from the Viet Cong. "This to me is a true and binding patriotism," he says. "This is a patriotism that is the ideal our nation is based upon. This patriotism is not limited to war but is called upon more often in war. These patriots want the end of war more than you may realize. These men have paid the price to wear the name of patriot."

"There is only one goal here," he says, "It is shared by everyone, return home alive and well. Please don't sell us short because we are here. We serve for our own reasons. We serve what we want to serve. Don't deny us the right to serve because of how and where we serve."

It is true, I can speak from only one viewpoint about this horrible war. Spec. 4 Barns can speak from both ends, because he has seen both ends.

I wonder if I can understand the depth of his feeling; I think I can, but I cannot know for sure. But each of us still has a role that he must fulfill in this world, and that is what each is doing.

It is for him, today, to face the grim reality of war with a rifle and his hands as weapons. It is for me to bear witness to a belief with my words.

Must there be a difference between us because each of us fights the scourge of war in a different way? Must his life and the lives of those already dead and those already wounded be risked to produce another generation of patriots?

The world is cruel, though full of goodness; it is dark, though brilliant with life. It is suffering, though capable of recovery; it is a world that somehow must be lived with. Somehow, Duane Barns and I must make it worth living.

Panax Names Personnel Director

EAST LANSING--Panax Corporation, the owner of the Associated Newspapers, has announced the appointment of a director of personnel. Joseph J. Gross, for the past 29 years an executive with the Boy Scouts of America, will join Panax on May 1.

The City of Detroit committees on which he has served or is now serving include: the Coordinating Council on Human Relations, the

Churches, the Episcopal Diocese of Michigan, the Cathedral Chapter of St. Paul, and the Jewish Committee on Scouting.

JOSEPH J. GROSS

In making the announcement of Gross' appointment Panax President, John P. McGoff, stated that "we are most fortunate to be able to secure a man with the background of Mr. Gross. His proven skills in organization and management will be a great asset to our plans in the area of personnel, insurance programs and recruiting and training. With over 700 employees this is a vitally important area of our company."

Gross is a native of Sioux City, Iowa and received his education at the University of Iowa and Lincoln University.

He began his career with the Boy Scouts in Dallas, Texas in 1940 before joining the Detroit Area Council in 1944. He was the Assistant District Scout Executive until 1953 when he became the Director of Community Relations for the Detroit Area Council.

Gross is currently serving on or has been a member of numerous Michigan government and social agencies. Former Michigan Governor George Romney appointed him to the Northern Michigan University Board of Control in 1966. He continues to serve on that board. Romney also appointed him to the Michigan Corrections Commission in 1964 where he served on that board until abolished by Michigan's new constitution in 1966.

Another Romney appointment of Gross was to the State Delinquency Commission and the Michigan Council on Crime and Delinquency which he continues to serve as vice chairman.

Neighborhood Conservation and Improved Housing, the Citizens for School Needs, the Federation of Community Councils, the Social Workers Club of Metropolitan Detroit, the Detroit Roundtable, the Border City Conference; Booker T. Washington Business Association, the Lafayette Park Kiwanis Club; and the Optimist Club of Eastside Detroit.

Church and religious affiliations include a member of the Grace Episcopal Church, the Detroit Council of

Gross and his wife, Margaret are moving to East Lansing where the Panax corporate offices are maintained. Mrs. Gross was formerly head of the English Department at Sherrard Junior High School in Detroit.

Mr. and Mrs. Gross have one son Joseph, Jr., a graduate of Howard University and currently employed by the Federal Government in Jackson, Mississippi.

Van Buren Asks Bids on 2 Cars

BELLEVILLE--Van Buren Township is requesting sealed bids on the purchase of a new police cruiser and one standard four-door car for administrative operations. Mrs. Erma Jean Payne, township clerk, announced. The bids must be in at the Township Hall, 46425 Tyler Road by 5 p.m. April 22.

The Road Rally will start at the Michigan International Speedway, located near Irish Hills, Mich., at 8 a.m. April 19, and finish at Xerox in Ann Arbor around 9 p.m.

Contestants will drive family cars or others that are available to them. Paul Bird, chairman of the Road Rally Committee, reported.

Everybody's Job

Everyone talks about air pollution as though it was a condition created maliciously and thoughtlessly by the other fellow. In a lengthy discussion of legislative and technological progress toward pollution control, William B. Halladay, coordinator of Air and Water Conservation for one of the nation's major oil companies, demolished this pass-the-buck approach to pollution with a few well-chosen points.

"We need to stop pointing the finger at the other fellow," he observes, "as the cause of air pollution. All segments of society and each individual is equally guilty. We demand the goods and service which create pollution. We burn leaves and trash. We are lax in providing maintenance for our oil burners and automobiles. Certainly we demand all forms of electrical energy and power which is their generation cause the pollutants of combustion.

"Even though the layman complains loudly about air pollution, would he give up his car or cars? Would he go without heat or electrical lights? Certainly not. He wants these enjoyments but without pollution. Given a reasonable amount of time he can enjoy one without the other-but at a cost. . . Above all, Halladay emphasizes that in pollution control, "We are making progress."

Research is developing guidelines for more stringent federal and state regulation.

Industries, such as petroleum which is a leader in pollution control, are spending hundreds of millions of dollars to roll back the damage that has been done since the beginning of the Industrial Revolution.

Our present objective as a nation is to return our air quality to that of 1940. It can be done if "the other fellow" will help.

Miss Hink Chosen 'Miss Road Rally'

BELLEVILLE--Belleville High School's 1968-69 Homecoming Queen - Miss Debbie Hink, 18-year-old high school senior, has been selected as "Miss Road Rally."

Miss Hink, who is the daughter of Mr. and Mrs. John Hink of 12520 Stanley Drive, was chosen for her new title by the Adult Explorer Road Rally Committee of the Portage Trails Council of the Boy Scouts of America.

The Portage Trails Council is comprised of Boy Scouts from the Washtenaw County area.

what's a funny place for a phone?

That depends a lot on your sense of humor. If splashing through the house to answer a telephone leaves you a little cold, then perhaps there is nothing funny about an extension telephone in the bathroom or dressing room.

Extension telephones save steps and let you do your telephoning from where you are.

Call your Michigan Bell Business Office or ask your telephone man. For as little as ninety-five cents a month (plus tax) you can have an extension telephone in any funny old place you'd like.

It's amazing how accurate a watch can be, when it has a tuning fork.

ACCUTRON "413"
Water resistant, sweep second hand, applied markers on dial. Adjustable band. \$150.00

ACCUTRON CALENDAR "AF"
Water resistant, gilt applied Roman numerals on a silver dial. Black alligator strap. \$175.00

The things that make a watch tick are the things that make a watch run wrong. Like its balance wheel. And mainspring and hairspring. So those things have been left out of the Accutron® timepiece. They've been replaced by a tiny tuning fork that hums. The tuning fork splits a second into more parts than the balance wheel movement ever dreamed of. 360 parts, to be exact. (The best a ticking watch can do is 5 or 10.) It's the tuning fork's uncanny precision that makes Accutron the most accurate timepiece you can wear. We're able to guarantee Accutron accuracy to within one minute a month. That's 2 seconds a day. And many owners say they're off only 1 second - or none at all. With accuracy like that, a watch has no business ticking when it could be humming. Accutron timepieces start at \$110.00.

Suzanna G. Warren Is New Mrs. Hall

Mrs. Anthony W. Hall, Jr.

Suzanna G. Warren, daughter of Mr. and Mrs. Ivan Warren of 8701-84 Belleville road, Belleville, chose the Easter season for her marriage to Anthony W. Hall, Jr. son of the senior Anthony Halls, of Hillsboro, W. Virginia. The young couple exchanged double rings vows Saturday, April 5, at the Grace Baptist Church, in Belleville. The Rev. Kinniman Crawford presided at the six o'clock ceremony before an altar adorned with Easter lilies.

Members of the immediate family attended the wedding and reception which followed at the Jann Warren home on Laurence court, Ypsilanti.

For her wedding Suzanna wore a white lace dress styled in street-length with a scoop neckline and long sleeves which belled at the wrist. A corsage of red roses was pinned at the shoulder.

Attendants were the bridegroom's uncle and aunt, Mrs. and Mr. Brentis Folks, of Belleville.

The new Mrs. Hall is in her senior year at Belleville High School and will graduate in June. Her husband, graduated from Hillsboro High School and served with the U.S. Army with 13 months spent in Vietnam. He is currently working for Detroit Diesel, in Detroit.

BELLEVILLE BREVITIES Shirley-Wiley Wedding Brings Out-of-State Guests

BY MRS. JOSEPH SPRING
OX 9-4021

Guests at the Forrest Shirley home on Wexford during the week of their daughter's wedding were Pat (Shirley) and her fiancé, Mark Wiley, both from Rialto, Calif., also Mr. and Mrs. Edmond Wiley, of Wyola, Mont.; Mr. and Mrs. Robert Lilley, of Silver Springs, Md.; and Airman Bruce Wiley, of Lodge Grass, Mont.; who is stationed on the U.S.S. Constellation out of San Diego, Calif.

Mr. and Mrs. Stuart R. Hope, of Racine, Wis., arrived Good Friday afternoon to spend Easter with their aunt Miss Margaret E. Hope of Main Street. They also helped Miss Hope celebrate her 93rd birthday on April 9.

James P. Sutherland, Sr., former Belleville resident who recently underwent major surgery at a hospital in Bradenton, Fla., is now on the gain. The Sutherlands spend each winter in Bradenton, returning to stay with their children in Belleville during the summer months. Two of their children, James P. Sutherland Jr., of Ypsilanti, and Mrs. John (Mabel) Russ, of Liberty Street, were called to Florida by their father's illness, being down there more than a week but have both returned home now.

Mrs. Jessie Wackus, of Charles Street, spent Easter with relatives in Beulah.

Mr. and Mrs. William R. Brown and family, former Belleville residents, were Thursday afternoon callers at the home of Mrs. Joseph Spring. The Browns, who now reside in Traverse City, were enroute home from a trip to Washington, D.C.

Mr. and Mrs. Stuart R. Hope of Racine, Wis., Miss Margaret E. Hope, and Mr. and Mrs. Kenneth Spitzer, of Trenton, were Easter dinner guests of Mr. and Mrs. Floyd Ernst, of Milan. The happy occasion was a birthday celebration for Miss Hope and Mrs. Spitzer's and Mr. Ernst's mother, Mrs. Louis Ernst, of Saline; both ladies being 93 yrs. old.

Mrs. Lois Jackson, of High Street, who suffered painful injuries in a fall in her home, is now at the home of her son-in-law and daughter, Mr. and Mrs. Stanley Miller, of Torrey Road.

Easter dinner guests of Mr. and Mrs. Don Zimmer, of Charlotte, were her parents, Mr. and Mrs. George Robson, of Tyler Road.

Mr. and Mrs. Harold Harris, of Belleville Road, entertained for Easter their children: Mr. and Mrs. Philip Harris and daughter, of Robbe Street; Mr. and Mrs. Jack Bramlett and family, of Savage Road; and Mrs. Harris' father, Ernest Young, of E. Columbia Avenue.

Miss Margaret E. Hope entertained the members of her Pinochle Club, nine ladies in all, at luncheon on Monday at

the Town and Country Restaurant. After lunch the ladies returned to Miss Hope's home for an afternoon of pinochle.

Easter dinner guests of the Harry Pinters, Jr. of Rawsonville Road, were her parents Mr. and Mrs. Grant Oelke and family, of E. Huron River Drive, also the Orville Bock family, of Middlebelt Road; and Mrs. Pinter's grandparents, Mr. and Mrs. David Dunk, of West Branch.

Mrs. Brian Walters, the former Cheryl Meese, and son Dean, who have been spending some time in Belleville with her mother, Mrs. Mary Meese of Martinsville Road, and her husband's parents Mr. and Mrs. Lester Walters of Edgedale Drive, left by plane on Monday to join her husband, Capt. Brian Walters, on the Island of Guam where he is in the Air Force Communications located at Andersen A.F.B.

Enroute Mrs. Walters will have stops at San Francisco, Travis A.F.B. and Honolulu before reaching Guam.

Easter dinner guests of the Burton Smiths, of Tyler Road, were their parents Mr. and Mrs. Caryl Smith, their son-in-law and daughter Mr. and Mrs. Eugene Leppanen and baby daughter, Teresa, of Ypsilanti; also Mrs. Smith's sister, Mr. and Mrs. Stanley Vienicki, and three daughters, of Maybee.

Easter guests of the S.C. Pierrmans, of E. Huron River Drive, were her sisters, Mrs. Joseph Allen, of Piqua, Ohio; and Mrs. Louis Pierrman of Ottawa, Ohio; and also Guy Ransom, of Clinton, Iowa. Miss Faith Pierrman, a student at Western Michigan University spent the weekend at home.

Mr. and Mrs. Thomas Guilstorf, former Belleville residents, are announcing the birth of a 6 lb. 7 oz. son on April 1 at St. Joseph's Hospital, Mt. Clemens. The baby has been named Kyle Thomas. His mother is the former Joann Szabo.

Mrs. Orrin R. Post attended funeral services in Walled Lake, Friday for Maynard G. Post who passed away in Florida following a long illness.

Mrs. Russell E. Harris, of Robbe Street, who has been a patient at Annapolis Hospital, Wayne for the past several weeks following a heart attack, is now on the gain.

Little Kimberly Fields, daughter of the David Fields, of Ecorse Road, underwent a tonsillectomy at Annapolis Hospital last Wednesday.

Mr. and Mrs. David Dunk, of West Branch, arrived on Good Friday to spend several days with their daughters and their families, the Grant Oelkes, of E. Huron River Drive, and the Orville Bocks, of Middlebelt Road. On Tuesday Mrs. Oelke drove her parents to Grand Rapids to visit Mrs. Dunk's sister, Mrs. Freda Barker. The Dunks returned to their home in West Branch Friday.

Woman's Study Club Has Marge Emerson As Guest Speaker

Mrs. Rodney Mast, of Merle Court, was hostess to 22 members of the Woman's Study Club Wednesday evening, April 9. Mrs. Royce Smith, club president, opened the business meeting by leading the group in the flag salute and collect.

Following adjournment, Mrs. Merle Touse, chairman of the Home Life Committee, presented the speaker for the evening, Mrs. Justin (Marge) Emerson, who teaches a class in Home and Family Living at Belleville High School. Her course is an elective and serves approximately 150 students each semester. She strives to instill in her pupils

the importance of family life and the Club feels most fortunate to have a person of Marge's caliber teaching in this capacity.

Her topic for the evening, "The Art of Everyday Living with our Teen-agers", was followed by a question and answer period.

At a table appointed with a centerpiece of yellow daffodils, Mrs. Royce Smith presided at the coffee service assisted by Mrs. Olin Wyman and Mrs. John Tator.

The May 14 meeting will be held at the home of Mrs. D.W. Blend, of Juniper Drive, with Mrs. W.K. Rekshan supplying the program, "A Night with the Arts."

SPECIAL PROGRAM—Karen Moose (standing), daughter of Mr. and Mrs. Arthur R. Moose, of 28236 Northville Road, Romulus, and a member of Michigan State University's Student Education Corps., instructs a pupil in basic educational skills. This program, instituted in 1965, is designed to permit MSU students to immediately utilize knowledge and special skills they possess. It also relieves a portion of the work-load from the regular teachers and is valuable experience should the students choose to become teachers. MSU students volunteer for this program, and receive no monetary rewards. Miss Moose, a 1968 graduate of Romulus High School, is a junior majoring in elementary education.

Easter Deb

The Easter Bunny took over for the Stork, Sunday, delivering a brand-new baby girl to ANP General Manager David Willett and his wife, the former Donna Glenn, of Westland. The seven-pound, two-ounce debutante put in her appearance at McPherson Hospital, Howell. The Willetts are residents of Howell at present, and will be making their home in Wayne in the near future.

Grandparents of the baby (tentatively called Deborah Jean) and her brother, Douglas, 2, are Mr. and Mrs. Joseph Glenn of Harvey Street, Westland, and Mr. and Mrs. Wesley F. Willett of Canton Hills.

SPENCER-JAHR VOWS

Michigan State Sophomores Marry At Methodist Church

Double ring vows were exchanged March 29 between Mary Elaine Jahr, of Belleville, and Michael Robert Spencer, of Laurence, Michigan. The United Methodist Church of Belleville was reserved for the six thirty o'clock ceremony attended by the family and close friends and relatives.

The Rev. Allen B. Rice, II, presided before an altar graced with white gladioli and cysanthemums. Klair Kissell at the organ accompanied

Mrs. Herbert Saylor, of Lincoln Park, who was soloist for the wedding.

Mr. and Mrs. Thurston Jahr, of 45291 Harmony Lane, Belleville, and Mr. and Mrs. John Maxey, of Laurence, Michigan, are parents of the young couple.

ESCORTED TO the sanctuary by her father, Mary appeared in a toe-touching creation of white lace styled along empire lines with seed

pearl accents and a chapel train. Adding interest to her bridal finery was an heirloom lavalier of gold and seed pearls belonging to her maternal grandmother, Mrs. Fred Lincoln.

Her veil of silk illusion drifted to shoulder length from a tiara of lace petals outlined with seed pearls and she held a spray of white phalaenopsis orchids and stephanotis.

Cindy Daroci, of Belleville, was home from her sophomore classes at Michigan State University to serve as maid of honor for her close friend, Mrs. Jeffrey Jahr, of Westland, sister-in-law of the bride, was matron of honor.

Identically dressed, their formal gowns were designed with larkspur blue bodices traced with narrow blue velvet ribbon and cream-colored crepe skirts. Their headgear was comprised of fresh blue cornflowers and baby's breath which were also used in their bouquets along with white roses.

THE BRIDEGROOM asked his brother, David Spencer, of Laurence, to serve as best man. Others on the esquire side were Jeffrey Neave, of E. Lansing, and Jeffrey Jahr, the bride's brother from Westland.

At the reception, which followed at the Jahr's Harmony Lane home, Mrs. Jahr received some 200 guests in a hand-beaded blue lace dress and blue silk companion coat. For her son's wedding, Mrs. Maxey donned a yellow crepe ensemble. Both mothers added cymbidium orchids to their costumes.

All floral and table appointments were arranged by the bride's brother, Jonathon, who was home from Northern Michigan University at Marquette for the occasion. A pink and white color scheme was used in the candlelit dining room with a Mexican motif chosen for the basement recreation room.

Guests at the reception were from Laurence, Birmingham, Dearborn, Detroit, Grosse Pointe, Lincoln Park, Wyandotte, Ann Arbor, Ypsilanti, Marquette and Belleville.

The newlyweds, both sophomores at Michigan State University, returned to their classes the week after their wedding. Mary, a 1967 Belleville High School graduate, is majoring in speech pathology while her husband, a Laurence High School alumnus, is enrolled in the school of education.

Shower For Mrs. Oliver

Mrs. John Oliver (the former Janice Bitnar) was the honored guest at a cradle shower given by her aunt, Mrs. Richard Whichello.

Held Sunday afternoon, March 30, at the Whichello home on Lake Pointe Pass, some 26 friends and relatives attended and enjoyed a variety of games followed by lunch and the opening of the expected baby's new layette.

Ryan Michael Is Newcomer

Mr. and Mrs. Robert Beard, of 49952 Geddes Road, Belleville, have a new addition to their family. Born on March 26 at Oakwood Hospital, Dearborn, 'Ryan Michael' tipped the scales at 8 lbs.-13 ozs.

Awaiting his arrival home was his big brother, Cary, who's 15 months old.

Their mother, the former Stephanie Hudman, is the daughter of Mr. and Mrs. Albert J. Leach, Jr., of Bibbins Street, Romulus. Ryan is their second grandchild.

The paternal grandparents, Mr. and Mrs. Robert Beard, of Goddard Road, Romulus, number the baby as their fifth grandchild.

Minnesota Co-ed To Wed Dr. David Boyd

A December wedding is being planned by Linda Kay Derby, of 323 Seventh Street, Minneapolis, Minnesota, and Dr. David J. Boyd, of Fort Wadsworth, Staten Island, New York.

Mr. and Mrs. R.W. Derby, of 212 Barley Avenue, Portland, Michigan, parents of the bride-elect, are announcing the young couple's engagement.

Miss Derby earned her B.A. degree in journalism at Michigan State University in 1968. She is currently working towards her Master's Degree in interior design at the University of Minnesota.

MISS DERBY

The prospective bridegroom is the son of Mr. and Mrs. Bernard R. Boyd, of 48730 Huron River Drive, Belleville. Dr. Boyd graduated from Michigan State in 1967 with a degree in veterinary medicine. He is currently serving as a captain in the U.S. Army.

PLEASE NOTE--

In order to meet print shop deadlines, it is necessary to move our deadline time and date. Effective immediately, any information for the women's pages must be turned in no later than 2 p.m. on Thursday. This will include engagements, weddings, club news, birth announcements, coming events, etc. that are to appear in the women's section. This also means that Belleville Brevities, Romulus Personals, New Boston Events, and Green Point Gems will be turned in early as well. Contributors to those four columns are asked to please cooperate by phoning in news and helping the columnists to meet their earlier deadline.

A large meal is eaten in mid-day in Spain, usually followed by a two-hour siesta. A light meal is served at night, and usually late.

Morristown, N.J. was formerly known as West Hanover.

Joseph Is Here!

Mr. and Mrs. Robert Lobkovich, of 13627 Kent drive, Romulus, are announcing the arrival of a 9lb.-8oz. baby boy. Born April 2 at Annapolis Hospital, Wayne, he was named Joseph Francis.

The newcomer's grandparents are Mr. and Mrs. Alex Lobkovich, of New Boston, and Mr. and Mrs. Joseph Kopec, of Detroit.

PAT IS 'SHOWERED'

THE MOOSE Lodge, in Belleville, was the setting Sunday, March 30, for a surprise miscellaneous bridal shower honoring Patricia Ann Wilson who will be the bride of Richard Lewis Burnette this coming Saturday, April 19.

The afternoon party was given by Vera Dople, sister of the prospective bridegroom, who will be one of the attendants in the wedding.

After playing bingo and watching the bride-elect open some 40 gifts, friends and relatives enjoyed a buffet dinner while door prizes were awarded.

Guests, who answered invitations, traveled from Detroit, Livonia, Novi, Wayne, Dansville, Blissfield, Lansing, and Belleville.

VACATIONERS ARE BACK

A GOODLY NUMBER of our local population took advantage of the recent school vacation and, with their children in tow, headed for points south.

Among those with a Florida destination were the Marland Howards and their two sons, Eric and Mark, of Biggs street, who jetted to Miami Beach for a 10-day stay at a resort motel.

Highlights of their sojourn (spent in sunny 80-degree temps) were a boat cruise through the Everglades, an alligator wrestling exhibition, and a visit to a zoo, and a Seminole Indian village at Fort Lauderdale.

The foursome also enjoyed eating a catch of Spanish mackerel which Mark and his dad reeled in off the pier at Haulover Park. The many fine restaurants in Dania and Hollywood were also an adventure for the family.

While the boys collected shells along the ocean, their mom bought lengths of material for her favorite hobby-dress making-which she squeezes in evenings between correcting papers and making study plans for her fourth graders at Haggerty School.

ANOTHER FAMILY to include the Sunshine State in their holiday plans was the Koss quintet-Ed, Vivian, Jennie, Craig and Steve-who left their Riggs road home March 28 (immediately following Jennie's part in the recent dance recital at the Junior High.)

Motoring southward, the Kosses took the western coast of Florida on down to the Everglades and then traveled the eastern route back (camping all along the way.)

Cypress Gardens at Winter Haven (where Vivian was born) and the Sea Aquarium in Miami vied for special stops along with seeing our World Champion Detroit Tigers battle the St. Louis Cardinals at Lakeland during spring training.

On Easter Sunday the family attended church services in Hollywood then continued working on their golden tans (and we hear they're all wearing that enviable 'badge' of a visit to Florida.)

NEW BOSTON EVENTS

Huron Has An Entry In Metro Spelling Bee

By Mrs. William Havenstein 753-4258

Dane Davis, a seventh grade student at Huron Junior High School, became the winner of the 1969 Annual District Spelling Bee. Dane spelled "besmirch" after the runner-up failed to spell it correctly. He was then given "betrayal" which he also spelled correctly.

The district bee was held April 2 at Belleville Junior High School. Students from 28 schools competed.

As district champion Dane won a geographic dictionary.

This is the first time the Huron District will be represented in the Metropolitan Spelling Bee which will be held May 9 in Detroit. It will be seen on WWJ television at 9 A.M.

Dane's parents, Mr. and Mrs. Walter Davis of Judd road, and the staff and students of Huron Junior High School are very proud of their champion.

Recently returning from an Easter Holiday in Florida were the Arthur George family of Dugan drive.

Julie Makes Debut

There's a new baby out at the New Boston home of Bill and Antoinette Nagy, of 23700 Waltz Road. Making her debut March 21 at Riverside Hospital, Trenton, the young lady weighed in at 8 lbs.-7 ozs., and was titled Julie Elizabeth.

The new mother is the former Antoinette Haener.

Huron's baseball season began with their first game on April 8. Games to be played in the next week are: April 18 with the Huron Chief's traveling to Blissfield for a game at 4 p.m.; April 21, Huron travels to Annapolis for a 4:00 game; April 23 the Chiefs will host Flat Rock.

There is still time to make reservations for the luncheon is served" which will be sponsored by the Mother's Guild of St. Stephen's Catholic Church April 24 at 1 p.m.

Tickets are available by calling Mrs. Dora Danowski 753-9785.

The Frank Browns, of Merriman road, traveled to Grand Rapids to spend Easter vacation with Mrs. Brown's parents.

It is refreshing to find several of our Huron High seniors giving their time to the Big Brother and Big Sister Program. The program is an attempt to help children in the district, aged 6 to 10, who have social or personal problems. These problems are not serious but do need the attention that can be given by the high school students.

Some of the small children are shy, some need experience outside the home, others need help with school work. The Big Brothers and Big Sisters give at least two hours each week to the child they are attempting to help.

Mrs. Carole Schwall, a social worker with Family Neighborhood Services in Romulus, which sponsors the program, meets twice each month to discuss and assist the students in their work.

Brownies See 'Peter Pan'

By Pearl Morris
Phone WH 1-1187

Brownie Troop No. 333 saw the play "Peter Pan" which was put on by the Greenfield Village Players Thursday evening at the Henry Ford Museum Theater in the Village. A total of 19 girls and six adults attended from Romulus. Mrs. Gene Mulberry is the Troop Leader. Older members of the troop are making plans to attend a "camp-out" being planned for Girl Scouts from Southern Wayne County on June 6, 7, 8 at Portage Lake.

Last Monday Mr. and Mrs. Grant VanAernum of Romulus Avenue, Mr. and Mrs. Bill Krueger and sons of Romaine Street and Patricia and Janet Moomaw of Romulus visited Mr. and Mrs. Harry Jones in Leslie, Michigan. Mrs. Jones and Mrs. VanAernum are sisters.

Mr. and Mrs. Fred W. Hay, Fred M. and Carla, and Miss Pearl Norris, all of Huron River Drive South, returned

Friday from a nine day air trip to California.

The group's trip itinerary included visits to Disneyland, Knott's Berry Farm, San Diego and the nearby Palomar Observatory, over the border into Mexico; then to Las Vegas, Nevada, for a two-day stop and also to Denver, Colorado, where they viewed the Air Force Academy and enjoyed a bus tour into the mountains.

The Semi-Annual Rummage Sale sponsored by the Women's Society of the United Methodist Church will be held Friday and Saturday, April 18 and 19, in the basement of the church on Olive Street. Everyone is cordially invited to attend. Hours for Friday are 9 a.m. to 5 p.m. and for Saturday, 9 a.m. to 12 noon.

Walter Korndorfer of Huron River Drive South celebrated his seventh-sixth birthday on Saturday. Guests were his sisters and brother-in-law, Mrs. Gertrude Wollenberg of Wayne, Mrs. Elsie Barton of Wick Road, Mr. and Mrs. Elmer Marquardt of Wahrman Road; also Mrs. Donna Daubresse and daughters of Allen Park and Mr. and Mrs. Rudy Morris and family of Romulus.

Mrs. Korndorfer celebrated her birthday on Tuesday of this week by visiting at the home of her sister, Mrs. Freida Jeager, in Ann Arbor.

Mr. and Mrs. Peter Glaab, Jr. of Hannan Road left Friday for a several days trip to the Bahamas as guests of the Alexander Hamilton Insurance and Investment Company. They are expected back today (Wednesday). Glaab won the trip for his record as high salesman in the area.

Two young men of the church spoke at Sunday worship services at the Calvary Baptist Church on Ozga Road April 13. Richard Marshall of Westland was the morning speaker and Chuck Rathel of Grant Road, Romulus, spoke in the evening.

Her brother and family, Mr. and Mrs. Rex Broesamle and two sons of Hillsdale, were Sunday visitors at the home of Mr. and Mrs. Grant VanAernum on Romulus Avenue Sunday. The Broesamles also called on Mrs. Julius (Virgilene) Szabo of Romulus Avenue who underwent surgery at Oakwood Hospital, Dearborn, a week ago.

Embert Johnson and daughter, Betty, are moving from their farm home on Wick Road to 36740 Porter Street. (former Gerald Dugan family home).

William Diepenhorst was an Easter weekend guest at the home of his grandmother, Mrs. Flora Morris, on Huron River Drive South. Bill is a Junior student at the University of Michigan. Joining the two for Easter breakfast were Mr. and Mrs. Virgil Varner of Haggerty Road and Miss Marie Diepenhorst of Northline Road, who spent the past week with her grandmother, Mrs. Norris.

Mr. and Mrs. Albert Wahrman of Wahrman Road spent the weekend at their summer home on Anchor Bay, New Baltimore. Their guests were Mr. and Mrs. Fred Wahrman and family and Mr. and Mrs. Elmer Marquardt, also of Wahrman Road.

Leo Freitag is recuperating at his home on Huron River Drive South after several weeks in Wayne County General Hospital.

All Around The Town . . . with Lee

(Continued from Page 7)

Enroute home Ed and Vivian did a bit of antiquing in Virginia and brought home a lovely old pump organ. They, too, report having wonderful weather during their two weeks away.

THE LIEBELERS--'Lieb', Gwen and Ray--departed from their Ormond drive home the day after Easter and flew to Nassau in the Bahamas with Captain Liebler (a pilot for Universal Air Lines) at the controls. The chartered aircraft he flew had a passenger list of 82 Schaefer High seniors and their eight chaperones who were enjoying a 'senior trip'. With their headquarters at the Sheraton-British Colonial Hotel, the Lieblers enjoyed the many island attractions and especially the sunny beaches where they basked and tanned in the sunshine. They also saw the movie, "Happy Ending", being filmed with Jean Simmons and Bobby Darin and got a glimpse of the famous Onassis yacht which was anchored in the harbor (but none of its notorious passengers.)

A WEEK IN the sun-just relaxing-is the way Ernie, Virginia and Sharon Patke spent their Easter week vacation. Flying via non-stop jet to Miami (in just two and a half hours) they stayed in Fort Lauderdale where Ernie tried his luck at deep sea fishing while the ladies soaked up the sun. The trio returned to their Greylock street home last Friday. LEAVING APRIL 2, Floyd and Betty Orr, of Harmony Lane, with two-thirds of their family--Lynn and Lanny-headed their car for points south-destination, Florida. Enroute they spent three days in Fort Gaines, Georgia as house guests of Mr. and Mrs. William Saunders. In Sarasota they stayed with Betty's uncle and aunt, the Alan Shephers, and shared Easter dinner with them. Among the many points of interest they chalked up in their travel log were Weeki Wachi, the Ringling Brothers Museum and Mansion, Clearwater Beach, Cypress Gardens and Silver Springs. On the trip home they made a stop in Cuthbert, Georgia for Mrs. Thelma Ragan who returned to Michigan and the Floyd Orr home in Lincoln Park with them.

THEY'RE ILL

KAREN GRODI, a 17-year old senior at Belleville High, is a patient at Washoe Hospital, Reno, Nevada. While spending her Easter vacation with relatives in the western city, Karen became very ill but is making favorable progress now for what was diagnosed as a stroke. Her friends might like to remember her with cards and letters to make those days just a bit shorter. ALEX LOBKOVICH, of New Boston, underwent surgery at Old Grace Hospital, in Detroit, on April 3.

HERE 'N THERE

SPENDING FRIDAY in Detroit, Helen Miller, Marge Emerson, Alice Patterson and Wilma Tator enjoyed lunch at "Topinka's" on the Boulevard then walked across to the Fisher Theater for the Hearts and Husbands Conference. Dr. Paul Dudley White was the main speaker for the afternoon, his topic being "How to save your husband's life." Others taking part were WJR's Jack Harris, Jimmy Clark and the station's orchestra; Home Economist Marjorie Gibbs; and Bob Allison, of WWJ, who emceed the program. Students for Good Get OK From School Board

BELLEVILLE--The Association for the Citizenship Training for Students (ACTS) has won the approval and commendations of the Van Buren Township's Board of Education.

ACTS, recently formed by a group of Belleville High School students, has announced a program of creating a better image of students everywhere. The organization inaugurated its program by cleaning up in and around the high school.

Its directors made an appearance last week before the School Board to detail its goal and purpose of "Students for Good."

The initial membership reported that the association was founded on the principle that all students are not bad.

School Board members stated that "it was real nice and refreshing that the

students are performing in a positive rather than in a negative way," and commended the group on its organization.

In asking for the Board's support, the association directors in a statement to the Board and Belleville citizens said:

"In our times there has too often been a breakdown of communications between youth and adults. In past years our administration has been successful in avoiding rash actions by radical groups in our community."

Recently, due to the increasing strength and the trend to sway toward these groups and their ideas, the students of our community have been tempted to use undemocratic outlets for grievances.

Therefore, it is the purpose of the Association

for the Citizenship Training of Students to provide a democratic outlet for all student grievances. It is our intention to open all channels of communication between the students, the administration and the school board, while at the same time practicing our democratic citizenship.

We are a non-discriminating organization, we would like to extend an invitation to all students, parents and faculty members, to our meetings, which will be announced at a later date."

What does the figure \$52 billion mean to you? It means a brighter future for millions of Americans who own that much in Series E and H Bonds and "Freedom Shares".

School Board Sets Meet

NEW BOSTON--The Huron Township's Board of Education will hold a special meeting on Monday, April 28, to hear Dr. Jack Minze from the Eastern Michigan University.

This meeting was approved by the School Board at its regular meeting April 7.

Dr. Minze will give a presentation on the concept

of the "Community School." The meeting will be held at the Huron High School starting at 8 p.m. The public is invited.

VB Schools End Taking of Census

BELLEVILLE--The annual taking of the school census in the Van Buren School District will be discontinued, Dale E. Kaulitz, school superintendent, announced Monday.

School administrators have for some years conducted an annual taking of the school census at a cost of some \$2,500.

Under newly enacted state law, effective April 2 and signed by Governor William Milliken, the taking of school census by Board of Education is now permissive. School Boards may or may not take the census.

Van Buren School Board has chosen not to conduct future school census as it is no longer mandatory.

Kaulitz commented that prior school census involving persons from one to 19 years of age were of no use to school authorities.

The census was taken in a house to house canvass and was not always accurate. Kaulitz stated that the schools have other means of keeping track of school enrollment.

Nurse Call Issued

City Proclaims Nursing Week

BELLEVILLE--Mayor Royce E. Smith has issued a proclamation Monday designating the week of May 4-11 as Michigan Nursing Week in Belleville. A similar proclamation calling for state-wide observance of the event was issued by Governor William Milliken.

A program honoring all nurses of the Belleville and surrounding areas during this period is being planned by community leaders.

William E. Hinchey, administrator of the Belvil Community Hospital, in highlighting city's observance and in paying tribute to nurses at Belvil Community

Hospital and those who have retired and who are actively engaged in their dedicated profession of nursing has designated May 7 as Belvil Hospital Day in Belleville.

Mrs. Jacqueline Sorenson, director of nursing at Belvil Hospital and her staff are busy making extensive plans for an interesting and entertaining program for a May 7th luncheon.

In order that all nurses in the area receive an invitation to the luncheon, Hinchey has requested that the following coupon be filled out and sent to the Belvil Community Hospital, Belleville.

Ford to Honor Five Atchinson Salemen

Hugh M. Betts of Atchinson Ford Sales Inc., 9800 Belleville Road will be

honored by Ford Division of Ford Motor Company at a banquet April 19 in Detroit.

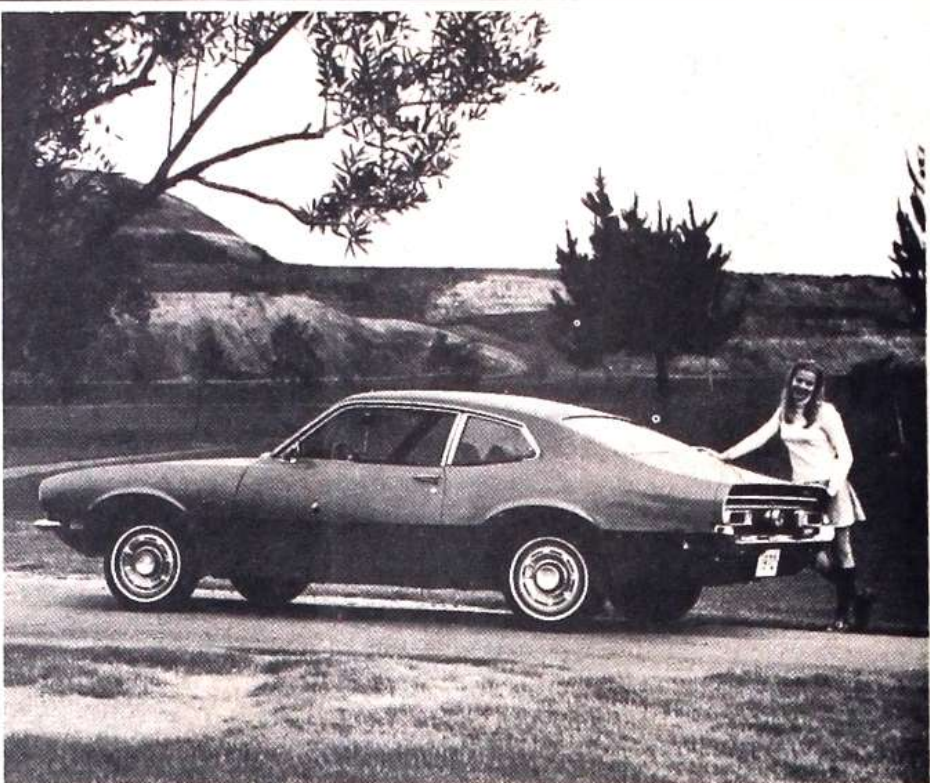

Other Atchinson Ford award winners among more than 450 car and truck salesmen in Ford Division's Detroit sales district who are receiving Ford's 300-500 Club membership for "excellent retail sales performance at the banquet are Martin Potzger, George W. Owens, Roy E. Glone and Mile Koczon.

The Sales Award is given to 300-500 members who sold at least \$700,000 worth of new cars and trucks during 1968.

Their sales performance during 1968 made them eligible for membership in Ford Division's 300-500 Club, an exclusive fraternity of the top Ford salesmen in the country.

A.L. Whiteman, Detroit district sales manager, who announced the citations, said, "The 300-500 Club was founded in 1950, and is designed to pay tribute to car and truck selling as a profession that adds greatly to the economic vitality of the nation and the local community."

He pointed out that the average 300-500 Club member in 1968 sold more than \$500,000 worth of automotive merchandise to qualify for the national honor.

MAVERICK--newest breed from the Ford Division corral--goes on sale in America's Ford dealerships on Thursday, April 17. Seating a family of four and offering economy of purchase and operation, it is aimed at boosting Ford sales in the booming small car market and serving the needs of buyers who formerly went to imports. Locally the car can be seen at Atchinson Ford Sales, 9800 Belleville Road.

Maverick, Ford's Latest Makes Debut on April 17

BELLEVILLE--Atchinson Ford Sales, located at 9800 Belleville Road will introduce the long heralded 1970 Maverick, new small car from Ford Division, on Thursday, April 17.

This \$1,995 car is a two-door sedan of modified fastback design with a hint of an air spoiler or "ducktail" at the rear. Designed to carry a family of four with adequate luggage, it is powered by a six-cylinder engine in either of two sizes, 170 or 200 cubic inch displacement. In normal city/suburban driving, Maverick can be expected to deliver 22½ miles per gallon of gasoline.

John Naughton, Ford Motor Company vice president and Ford Division general manager, calls Maverick "the greatest automotive value ever offered in terms of price, upkeep and features included at no extra cost."

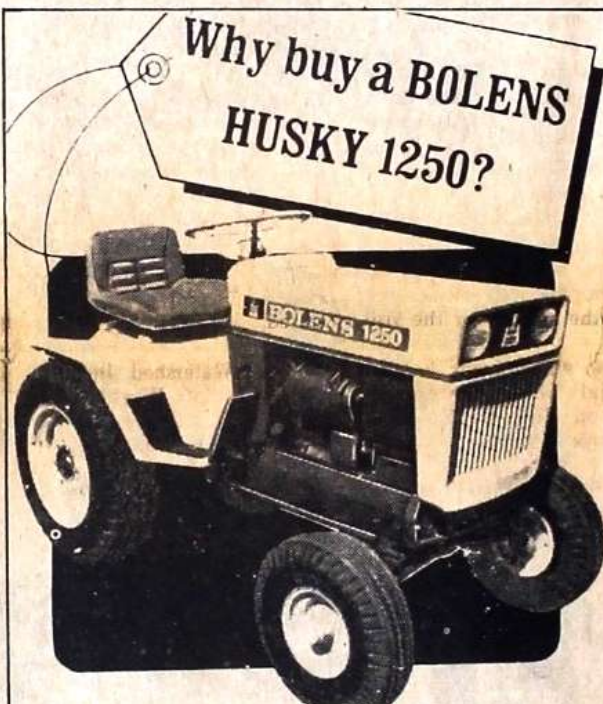

Planned to be economical in purchase price, operating cost and maintenance, Maverick offers a longer, lower, wider body than the principal import, yet turns in a tighter radius for easy handling and parking.

TRANSMISSION CHOICE includes the fully synchronized three-speed manual, the three-speed automatic with an optional shift-for-yourself feature, and, for the first time, a new semi-automatic transmission. Cheaper than the automatic and clutchless, it permits a change of gears with a single movement of the hand lever.

"Maverick will live up to its name in being a unique, independent kind of car," said Norman Atchinson, owner of Atchinson Ford Sales.

"It's bigger and roomier than the imports, but quicker

and lighter than the American compacts. Even some of the color names carry out the car's individualistic character--Thanks Vermillion, Hulla Blue, Freudian Gilt, Anti-Establish Mint and Original Cinnamon."

The reasons are in Bolens Difference Designed Features

*Automatic transmission (one foot pedal controls forward, reverse and braking) in a 12½ hp compact
*Attachments plug into a shaft type PTO coupling without belts
*Hydraulic lift, parking brake, electric lights standard
*Forward speed variable to 8 mph, reverse speed variable to 4 mph
*30 attachments available for "round versatility"

Boy Scout Leaders Hear Klein

DETROIT - Joseph R. Klein, director of the Relationships Division of the Boy Scouts of America, will be the principal speaker at an assembly of Scoutleaders on Sunday, April 20, in the parish hall of St. Benedict Catholic Church, Highland Park, Michigan. The group will attend mass at 7 a.m., followed by breakfast and the program.

The subject of Klein's presentation will be "New Dimensions in Scouting for Catholics." More than 200

leaders are expected to attend according to G. Sam Zilly, Chairman of the Catholic Committee on Scouting for the Detroit area.

Klein, who began in the Boy Scouts as a boy more than 30 years ago, directs the division which maintains close working relationships with Scouting partners-the almost 100,000 institutions chartered to operate Scout units and other organizations that provide manpower, finances, and other resources to local councils.

SS Office Issues Alert

DEARBORN--Louis Levine, district manager of the Dearborn Social Security Office, has reported that he has received reports from offices in neighboring states of an individual selling medicine door to door while posing as a "social security doctor".

Anyone attempting to sell any product or service who claims to represent the Social Security Administration should be reported to the Federal Bureau of Investigation or to the local police.

Watershed

ANN ARBOR -- The Annual Meeting of the Huron River Watershed Council will be held tomorrow, Thursday, April 17, 7:30 p.m. at North Campus Commons, the University of Michigan.

The Honorable Marvin L. Esch, Congressman from the Second District, will address the Council.

The meeting will also include the annual election of officers, the annual report of the executive secretary and a brief discussion of current issues regarding flooding and water quality in the Huron River Basin, Jerome K. Fulton, Executive Secretary stated.

The Watershed includes portions of Washtenaw, Oakland, Livingston, Wayne, and Monroe Counties.

This individual also promises increased social security benefits to elderly persons. While there have been no reports of such activity in this area, Levine said that the public, especially elderly persons who are usually the target of these schemes, should be alert to operations of this type.

Levine stated that all representatives of the Social Security Administration carry identification. Furthermore, if a Social Security representative calls at your home, the local Social Security office, phone number 584-7200, can verify the representative's identity and the reason for the visit.

He emphasized that the Social Security Administration does not sell any items or services.

Metro Task Force on Education Adopts Spencer's Aid Proposal

The Metropolitan Task Force on Education after weeks of evaluating the proposed educational bills for the State, has unanimously adopted the Roy Spencer bill as the best vehicle for this year's state aid for education.

The Task Force has evaluated all the state aid proposals to date against their principles adopted at its inception.

While no proposal actually fulfills all its principles, the Spencer bill does take a giant step forward from previous and present state aid enactments, and other educational bills in committee. And, the Spencer bill can be implemented.

Its effect would be to

greatly equalize the funds available for all school districts at a reasonable expenditure level for the same tax levy as opposed to the critical inequality today.

IN ADDITION, Representative Spencer removes the ceilings from the appropriations from remedial reading, special education, and transportation, while keeping funding at the 75 percent level by the State.

Until now the Legislature has never appropriated enough money to actually fund at 75 percent.

The Spencer proposal provides the same amount of money for inner-city development as the State Department of Education proposal and twice as much as the Governor proposes.

Task Force still believes that all proposals are inadequate in this regard and will continue to work to raise the level.

According to the Spencer bill, with a 20-mill property tax levy, all districts would have \$740 available for operating purposes, with only a few of the more wealthy districts having up to \$100 more.

If a district so desired, it could enact up to 2 percent local income tax to replace some of the property tax or provide additional funds.

IN CONTRAST, the State Department of Education

proposal would provide only about \$550 per child (against Spencer's bill of \$740) with a 20-mill tax levy and only the more wealthy districts could raise the \$740 without tremendous property tax levies.

The Governor's proposal offers even less than the State Department of Education.

With these figures, the Metropolitan Task Force believes Spencer's program is the best vehicle for immediate adoption. Even at \$740 per child it will still be a struggle to provide a quality education; therefore, any figure less couldn't offer even minimal quality education.

Also under consideration was the Detroit PTA proposal sponsored by Representative George Montgomery, which would provide distribution of state funds partially by income level of a district, allotting more funds to districts of low per capita income than those with high per capita income, with the same tax levy.

However, because of immediate difficulties in implementation and estimating the cost and determining how much the individual districts would

obtain, this proposal could hardly be enacted during this present crucial period.

IT DOES have several good features, however that none of the other proposals have, such as budget approval by the state and better funding of categorical programs.

At a recent Task Force meeting Representative George Montgomery who was backing the PTA bill stated, "I feel adoption of the Spencer proposal as the vehicle for this year's state aid act is the first step in the implementation of the Detroit PTA proposal."

Task Force believes that the state aid vehicle must be one that recognizes the need for additional revenues for public education and believes that the most equitable source of such monies is increased income tax.

The actual increase over this year's state aid package would be \$433 million which Representative Spencer estimates could be raised with a 1 1/2 percent increase in personal income tax and 3 percent increase in corporate and financial institutions income tax.

Libraries Primary Tool of Learning

he week of April 20-26 this year is set aside as National Library Week.

During this time the peculiarly human characteristics that accounts for all man's accomplishment is to be commemorated--the ability to store the sum total of his knowledge and build new knowledge upon it.

Our libraries preserve the written word that records faithfully all that the wisest and most gifted among us have learned of the arts, of literature, of science and technology, of life, the world and the universe around us.

In great libraries the record of civilization is being kept-in movies, in the sound of stereo tapes, on microfilm.

The purpose of National Library Week is to create broader awareness of the need for a better-read, better-informed America and to encourage the habit of reading and library use.

Libraries have been the cornerstone of civilization throughout recorded history. They were never more so than now. Knowledge, especially in the scientific fields, expands at a fantastic rate and an education can truly never be completed but must be constantly sought throughout a lifetime of learning.

Libraries remain a primary tool of learning. During National Library Week, let us strengthen the habit of

Write if you need money.

Check-Mate lets you write yourself a loan.

Check-Mate is a cash reserve of up to \$2,400 that we put aside just for you. Then, when you want extra money, you simply write a check. The cash reserve automatically covers what your regular checking balance doesn't.

You get a bank statement every month that shows exactly where your account stands. It shows how much you have in regular checking. How much reserve is still available. And what your interest costs have been. Repayments are deducted from your checking account to rebuild your reserve automatically.

You don't even have to be an NBD customer to apply for Check-Mate. You do, of course, have to have a reasonably good credit standing. Once you're qualified, you'll have a line of credit right at your fingertips.

And to let people know who you are, we also give you an NBD Check Guarantee Card. It assures merchants that your check—for any amount up to \$100—is good. Automatically.

Get all the details and a Check-Mate application at any office of the National Bank of Detroit.

And the next time you need money, just write.

BIG POW WOW! Students at Elwell Elementary School last week attended a Pow Wow with a real Indian Chief. The fifth grade class of Ruby Williams sponsored the program in which Chief John Sitting Bull, grandson of the famed Chief Sitting Bull, medicine man of the Hunkpapa Tribe of the Sioux Indians spoke to the class of his ancestry and Indian lore. Chief John is now residing in Taylor, Mich., following his retirement from Ford Motor Company.

Elwell Students Hear Chief

BELLEVILLE--The children at Elwell Elementary School, last week saw and heard a real Indian Chief.

A program for the Indian chief was sponsored by the fifth grade class of Ruby Williams. The presence of Chief John Sitting Bull, grandson of the famed Chief Sitting Bull, medicine man of the Hunkpapa Tribe of the

Sioux Indians, was made possible through the efforts of Mr. and Mrs. Robert Neely.

Chief John is also the nephew of Chief Crazy Horse. John was born and raised on the Standing Rock reservations in South Dakota.

He is now retired and lives with his wife in Taylor, Michigan.

The children enjoyed his stories of the early American Indians and many questions answered concerning his life. Chief John continuously campaigns for the betterment of his tribe.

In some ways, electric heat is better than warm summer sunshine. For one thing, it's even the year around. And it stays that way during weather changes. Also, with electric heat, drafts and cold floors become a thing of the past. With flameless electric heat, you'll never wake up in the morning feeling dried out.

You even get an operating cost guarantee. In writing.

If you'd like a free estimate of installation and operating cost, we'll arrange for an Edison Approved Electric Heat Contractor to call on you. Naturally, there's no obligation.

Convert to electric heat. Winter will never be the same.

DREAM HOME YOUR HOUSE WITH ELECTRIC HEAT.

Initial OK Given Programs in Fight on Crime

BY SUPERVISORS UNIT

A report which declares "we are fighting a losing battle" against crime in Wayne County and recommends major new programs to reverse the trend, has received preliminary approval as the first step toward seeking funds under the Federal Safe Streets and Crime Control Act.

Product of a six-month study, the report was approved "in principle" by the Law Enforcement and Public Safety Committee of the County Board of Supervisors April 9. It will form the basis of Wayne County's bid for part of more than \$1-million in Federal anti-crime funds available in Michigan.

Twenty-nine recommendations are made in the report.

THE STUDY was directed by Hubert G. Locke, former administrative assistant to the Detroit police commissioner, under the auspices of the Wayne County Coordinating Committee on Crime Control.

Four recommendations were given top priority:

* Creation of a metropolitan crime laboratory at the Sheriff's Road Patrol headquarters to serve local police departments outside Detroit. Estimated cost: \$77,525.

* A Police-Juvenile Attitude Project to improve relations between police and youngsters 12-16 years old through educational programs for both groups. Cost: \$96,500.

* Training of special

counselors in two junior and two senior high schools in high crime areas to serve as probation officers for youngsters who have had contact with Juvenile Court. Cost: \$110,463.

* A Youth Employment Service to help probationers and parolees 17-21 years old to find jobs and, through special counseling, to hold the jobs and avoid future trouble with the law. Cost was not estimated.

OTHER RECOMMENDATIONS covered a broad spectrum of law enforcement, educational and social services in the metropolitan area, proposing programs designed to improve

existing services and fill gaps between them.

The study was conducted under a \$16,000 Federal planning grant, with agencies within Wayne County contributing another \$8,000 in services.

Two more volumes of the report are planned. They will further develop the recommendations. Another \$70,000 in Federal funds is sought to develop details of the recommendations and cost estimates.

In giving "in principle" approval, the Supervisors' committee stressed that its action was not a commitment to spend county funds. The committee was told that each

proposal will be submitted individually at a later date, with the mechanics of funding to be worked out then.

APPROVAL BY the full Board of Supervisors is required.

Local communities in Wayne County will be asked to help with the local share of the cost of any new programs.

"There is no doubt that a much greater community

effort is needed to cope with the crime problem," declared Supervisor Ralph Patrick Turco, of Westland, a retired Sheriff's chief of detectives and chairman of the Law Enforcement and Public Safety Committee.

Other committee members are: William L. Dunbar, District 10, vice chairman; Michael J. Novak, District 1; Carl D. Pursell, District 26; Eugene A. Sikora, District 7; Jerome A. Szymanski, District 6; and Robert L. Tripp, District 22.

Confused about time savings plans? Take a close look and you'll find that NO BANK PAYS MORE!*

There have been a lot of claims made about time savings accounts, especially where interest is concerned. However, we think you ought to consider the fact that no bank pays more than 5% annual interest, compounded continuously on time savings. * With this thought in mind, why not go beyond numerical interest, and take a close look at the real thing, the bank's interest in you as a time saver.

We've made it as easy as possible for you to open a Security Time Savings Account. All you need is an initial deposit of \$1,000, and unlike many other plans, you may deposit \$50 or more to your account at any time.

We feel it's important for you to know what your money is doing. As a result, at the end of each calendar quarter, you'll receive a statement that shows transactions made and interest earned. At the end of the year, we'll send you a special statement, for tax purposes. In addition, you will receive a handy passbook-type folder in which to

keep all of your records.

You'll be able to withdraw savings that have been on deposit for a full calendar quarter, during the first 10 days of each succeeding quarter, without notice, or at any time with 90 days advance (the minimum legal requirement) written notice.

Your savings will earn maximum interest until the day of withdrawal. We'll be happy to credit interest to your Security Time Savings Account, another account, or mail you a quarterly check. The choice is yours.

We hope that the preceding has helped to shed some light on a service we think you will be interested in, a Security Time Savings Account. As you can see, we offer "maximum" bank interest, and a personal interest in you. Open a time savings account with us and enjoy the benefits of both!

When it comes to banking, Security is all you need!

Huron Student Wins Bee

BELLEVILLE--The Detroit News District Spelling Bee held at Belleville Junior High School (April 2) was won by a seventh grade student from Huron Junior High School.

The winner was Dane Davis, 12, son of Mr. and Mrs. Walter A. Davis of 39150 Judd. Dane won on the word "betrayal".

He was the first Huron Township student to win the District Spelling Bee.

Dane, who was presented with a Geographical Dictionary, will now participate in the Metropolitan Bee to be held on May 9, at 9 a.m. and

DANE DAVIS

which will be televised on Channel 4 WWJ-TV and which will present champions from Wayne, Oakland, Macomb, Livingston and Washtenaw Counties.

There were 24 contestants from 24 schools at the District Bee. Dane has won dictionaries twice previously.

The Public Letter Box

TO THE EDITOR:

Sir, I was just reading your edition of April 9, 1969. Specifically the article concerning the raising of our taxes. Also noticed their encouraging the taxpayers to write letters to the State Legislature.

I was just wondering! How much more can the family put out in taxes?

My husband works hard at his job at Ford Motor Company. He makes good money - that is if we could only use it for ourselves. By the time a family makes a house payment, car payment, truck payment, garage payment, pays all the utilities, groceries, for five, pay the doctor and dentist, gas bill, tithe to church, clothes for children (mom and dad only get clothes when the threat of being arrested for being obscene draws near! Well almost. This naturally does not include income tax, surtax, state tax, now property tax.

WE HAVE been in your community for five years. The two of us built our own home ourselves on five acres. Our first year here we paid \$101 in property taxes. This year (five years later) we paid \$500. Next year what will it be?

We like sending our children to a Fundamental Christian School-which costs money. Needless to say there is a great deal of sacrificing made whenever possible. Even if we didn't send them to a private school we would still have a rough time making ends meet.

Why is it that the harder one tries to improve the looks of their home and property, one's taxes go up? All that is, is paying a penalty for keeping up one's house and grounds. It's not right.

It's pretty bad when a family has to pinch pennies so hard the family can't get in the car on Friday or Saturday night and go and get a Dairy Queen - Right?

Please discontinue our subscription of the Belleville Enterprise as we have decided to reside where taxes are somewhat lower. We've discontinued all our papers and magazines - these dollars add up.

To the Belleville taxpayers -- lots of luck!

TO THE EDITOR:

Romulus is building a fine new Auditorium. Why were we not allowed to vote on this?

There is not enough money to support a decent sports program. The wrestling coach worked for nothing. There are no sports in the Junior High, also no Reserve Football Team. Then when our boys don't win, we wonder why. Sports are important, not only to the boys who participate, but to the whole student body. It is what school spirit is made of.

I have also been told that

if a millage is not passed, many of our schools special service teachers will have to go. Many of the voters wonder just what the School Board considers important. How often is an Auditorium used, as compared to Coaches and Special Service Teachers.

If the Romulus School System expects further increase in millage, they had better consider what would the voters consider important consider important.

Plymouth Scores Most Points in Three Tests

A Plymouth Fury I scored the highest number of points of all 60 cars that competed in fuel economy, acceleration and braking tests of the Union/Pure Oil Performance Trials at Daytona Beach, Fla.

The Plymouth Fury, competing in Class V for cars equipped with standard V-8 engines, scored a total of 98 performance points out of a possible 100.

Two other Plymouth entries finished first in their respective classes, giving the Plymouth line of cars winners in three out of the nine classes of competition.

Announcing a special new Plymouth.

At a special price.

Everyone says special, but we really mean it. Snapper's a new limited edition car like Plymouth has never made before. It'll shield you from weather's whims under a groovy turtle-shell vinyl top and carry you in a metallic muted-gold body. It has a "camp" Snapper emblem, like the one in the middle, on each roof pillar. An extended roofline that lets your rear seat passengers actually lean back (over 3" extra head room). And, of

course, many of the "special" features that most people want: deluxe vinyl interior, white sidewalls, deluxe wheel covers, bumper guards, and a kicky little time-delay ignition switch light, all at a special package price (again, we really mean special). Naturally, you can personalize a Snapper even more, with everything from a Super Commando 440 V-8 to air conditioning or 8-track stereo; just ask your dealer. As a limited edition model with

your own personal options, Snapper is a truly individual vehicle. See one now, at your Plymouth Dealer.

2,000 Teams of Students Competing in Plymouth's Trouble Shooting Contest

Teams of student mechanics from more than 2,000 high schools and colleges in every state of the Union will compete for \$125,000 worth of prizes in the 21st annual Plymouth Trouble Shooting Contest.

The contest is sponsored by the Chrysler-Plymouth Division of Chrysler Motors Corporation and Plymouth Dealers of America to encourage students with mechanical talent to continue their education and pursue careers in the growing automotive service business.

(Continued below)

The winning two-man team at each of the 100 regional and state contests being held this spring will compete for \$125,000 worth of scholarships, prizes, trophies and automotive equipment for their schools at the National Finals at the Indianapolis 500 Speedway in mid-June.

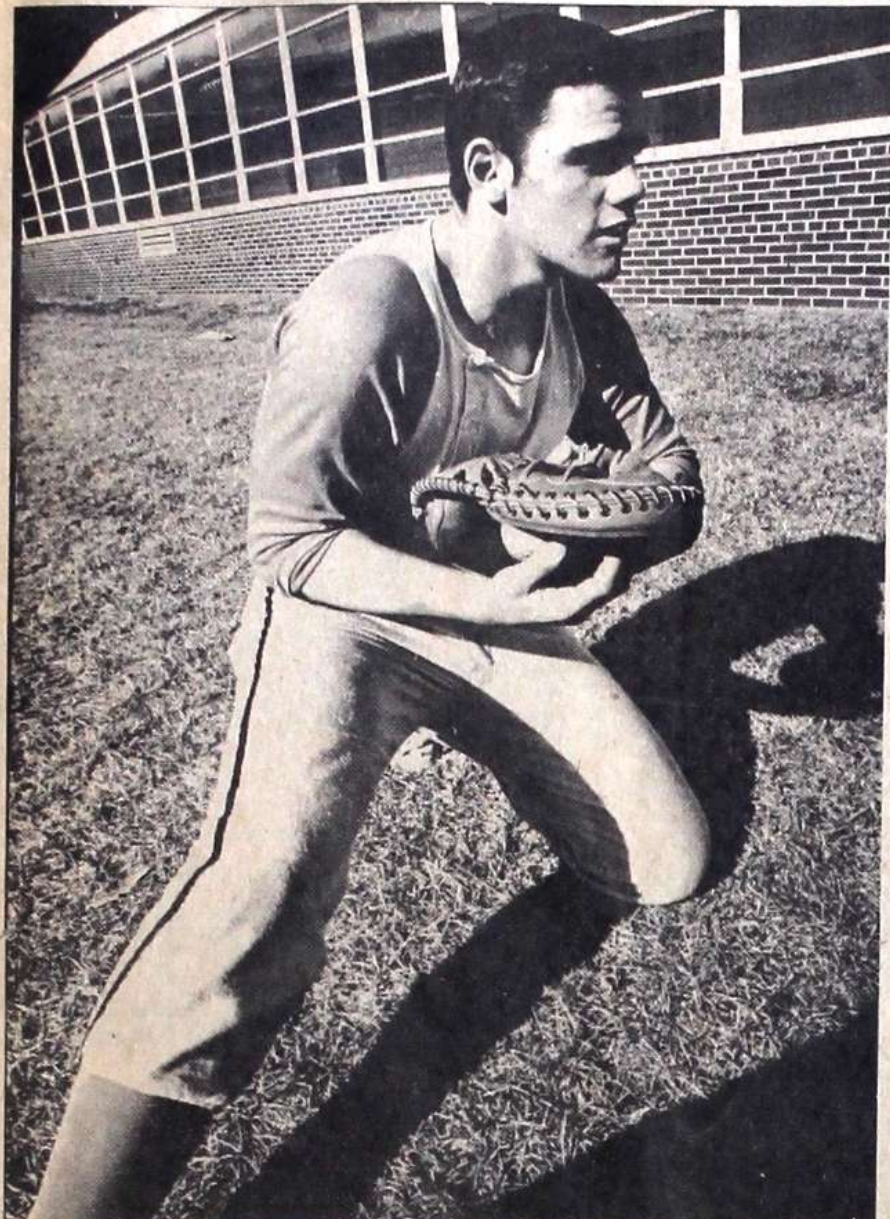

Winners at local and national contests are chosen by the speed and skill with which they find and fix malfunctions under the hood of a new Plymouth and restore the car to normal operating condition. All teams work on identical cars that have been deliberately tampered with in the same way.

Plymouth Dealers sponsor a two-man team from their local school and make a Plymouth car available to practice on. The teams from the 2,000 participating schools, which have a combined enrollment of 150,000 students taking automotive shop courses, are selected by school instructors.

The Plymouth Trouble Shooting Contest originated in Los Angeles in 1949. It was sponsored by Plymouth Dealers there who sought to recruit young men as mechanic trainees.

Since the contest became national in scope in 1962, scholarships have been awarded to 116 students and full or part-time jobs have been found for more than 15,000 young men.

EAGLES MEET ROBICHAUD TODAY Housley Shuts Out Romulus, 4-0

TIGER CAPTAIN - Senior backstop Gary Gentile (above) will lead the Tigers during the 1969 campaign. A three year member of Coach Vitold Kaminski's squad, Gentile returns to his catching position when Belleville opens up on Monday against Bentley.

Roger Housley threw a four-hitter against Romulus to pitch Wayne Memorial to a 4-0 non-conference victory last week which broke the Zebras' 2-game losing streak and spoiled the Eagles' 1969 debut.

Housley was in control all the way as he fanned three and walked the same amount in chalking up his first personal win against one loss. He was the victim of an opening day defeat to Thurston.

Coach Lowell Johnson used two pitchers in hopes of stopping the Zebras. Starting and losing pitcher Lee Ballard lasted until the fourth. He gave up

four hits and a pair of runs while fanning two and walking four. Reliever Rick Paglia finished up the last three frames and allowed two runs on one error while his teammates committed four errors.

After three scoreless innings, Wayne came alive in the fourth when Joe Knight works Ballard for a base on balls. An error and back-to-back singles by Rick Fidd and Doug Truskowski drove in the two runs.

In the fifth, Dean Minton got on an error and Knight tripled him home and he followed pursuit when Fidd

blasted a double. Wayne batters collected a total of seven hits against the two Romulus pitchers with Knight, Fidd, and Truskowski each getting two while Jim Creekmore accounted for the other.

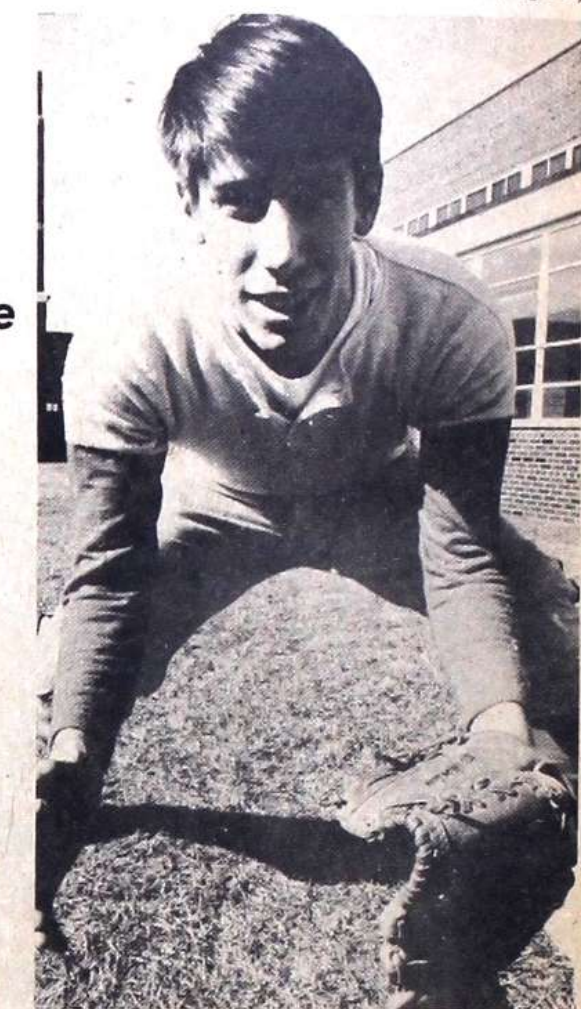

Singles by Ray Horn and Paul Seestadt in the third and base hits by Leon Janes and Frank Mayner accounted for the four hits off of Housley.

Wayne resumes non-league action tomorrow against Livonia Stevenson and plays another non-leaguer on Friday with Taylor Center.

The Zebras open up the on: "Our pitchers will have to learn to get the ball down and we must polish up on our defense."

Coach Lowell said of his team's first encounter that there were obvious areas which his team would have to work

Riverview Runs Bowl League Past Huron

Huron managed to salvage three first places as Riverview, a Mid-Wayne Conference representative, rolled over the Chiefs in a nonleague dual track meet last week 81-36.

Ed Smith claimed the broad jump on a 19 feet, 4 1/2 inch effort and Randy Clark crossed the finish line first in the quarter-mile with a 54.9 performance while the mile-relay foursome of Rick Tipper, Thel and Glenn Dregansky and Clark carded a 3:53 in the mile relay.

Huron clashes with a pair of league rivals this week with the Chiefs meeting Grosse Ile in an away meet on Thursday and coming home to run Carlson on Tuesday.

The Chiefs have been handicapped because track facil-

ities at Huron are under construction.

In the opening nonleague meet, Dave Edge contributed a pair of second places in the 100 and 220 yard dashes and Jeff Reeves was runner-up in the pole vault.

Third place finishers included John Shlagor, two-mile; Joe Richert, mile; and John Petri, in the high hurdles.

Errors Cost Huron 3 Games

To coach Ron Smith's dismay, Huron started the 1969 season where it left off last year - losing games by one run.

The Chiefs handed over a 4-3 verdict to Tecumseh and lost a nonleague to Robichaud 3-2. They helped out by committing a total of eight errors and had 13 miscues in their first three matches.

The week started off with nonleague rival Robichaud coming up with two runs in the bottom of the seventh to win 3-2 after trailing 2-1 going into the final frame.

Huron grabbed the lead in the seventh when losing pitcher Craig Adaline ignited the 2-run rally with a single. Al Michling came through with

a base hit and an error put Butch Suemnick on base.

With one-away and bases loaded, Dan Dilks batted for Dave Guntow and worked pitcher Brent Conley for a walk to force in Huron's first run of the season.

Jerry Dulecki's sacrifice fly drove in Michling but Conley smothered the rally when he got Jim Inman on strikes.

Dennis Wysocki's single with two men aboard in the bottom of the seventh ruined the day for coach Smith and the Chiefs.

In his debut, Adaline notched five strikeouts and walked six.

Smith felt that his hurler

had "pitched well enough to win."

"Five errors in one ball game, that's what caused our downfall," said Smith. "You can't expect to win ball games when you let the ball get away so many times."

Huron kept on fumbling and committed four errors to spoil its league opener. Airport scored three times in the first inning and added a run in the second, two in each of the third and fifth innings to rip the Chiefs 8-1.

Inman, working the distance, was tagged with his first loss. He allowed four hits and whiffed 11 while issuing eight walks.

Huron went ahead in the

top of the first as Jerry Dulecki's single drove in Michling who walked to lead off the game.

Huron scored twice in the first frame against Tecumseh but couldn't hold on as Huron Conference rival replied with a run in the first, two in the fifth and the tie-breaker in the bottom of the last inning to win 4-3.

It was the same old story as the Chiefs dropped the ball four times to help out their league rivals.

Ron Edmonds was the victim this time. He gave up five hits and notched four strikeouts while walking six in his first appearance on the mound. Walt Petty got credit for the victory, scattering eight

Huron hits.

The Tecumseh southpaw fanned 11 and walked only one.

The Chiefs rallied for two runs with one-away in the first innings. Suemnick was struck by a wild pitch and Inman's long single enabled him to score. Dulecki walked and a pair of wild pitches accounted for the second run.

Tecumseh came back for the run in the bottom of the frame. They went ahead with their two runs in the fifth.

But Huron made it 3-all in the seventh.

It'll be another busy week

for the Chiefs. They played Gabriel Richard on Monday and return to league competition today against Carlson. On Friday, coach Smith's Chiefs travel to Blissfield. Michling has also started the year where he left off. The Huron slugger is batting .400 for his three games and is the only player on the team with an over .300 average.

THE SPORTS MERIDIAN

By Tom Mooradian

'Lov' Jaycee Week

Just "Lov" those Jaycees.

"No sooner said than done," were the words of encouragement passed on to the Sports Meridian this week by Jim Thompson, of the Wayne Jaycees, who said their group would come up with the medals for the inaugural All-Area Track & Field Meet.

The meet is co-sponsored by the Jaycees in the area.

If we're pushing our dilapidated cart ahead of our horses, let's explain. Over recent years, prep coaches weren't too enthusiastic over the way the ANP selected its All-Area track team.

And they decided last year to do something about it.

Last summer, the coaches and the Wayne Jaycees, represented by Thompson, got together to discuss a more objective means of picking the mythical squad and the All-Area track meet was born. Thompson spread the word to other Jaycee organizations and they agreed to help.

Talking About Handicaps

And to add incentive, the Jaycees have offered medals to the victors.

To iron out last minute problems, three of the coaches-- Barry Basel (John Glenn), Bill Pinnell (Garden City West), Joe Grasley (Cherry Hill) and Bill Hawley (Wayne Memorial) will meet with the Jaycees and the ANP sports editor on Friday.

The meet, scheduled for Memorial Day at Garden City West High Field, will pit the top track & field men from Belleville, Huron, Romulus, Wayne Memorial, Wayne St. Mary's, John Glenn, Robichaud, Inkster, Cherry Hill, Livonia Franklin, Garden City East and West.

This could be the start of something good.

Ever try shutting your eyes while bowling? You say you can't hit the pins with your eyes opened? Well, there'll be ten bowlers in town from the Detroit Blind Association this week who feel that bowling is not only seeing--but feeling.

The ten will split up into two teams and challenge all comers.

"If anyone is interested in bowling that day, would you please have him contact me?" said John Gerbec, of the DBA. "We also have a little surprise in store for the challengers."

Gerbec, who can be reached at 722-3028, said his bowlers are "quite good and it makes for interesting bowling."

If you can't contact him, why don't you head for the Wayne Bowl at about 2 p.m. on Sunday, April 20th. The meet is being sponsored by the Wayne Lion's Club, and it's their third annual affair.

Wayne Baseball Clinic

A "Baseball Clinic" for Little League and Babe Ruth coaches will be conducted at Wayne Memorial High School on Saturday, April 19 beginning at 9:30 a.m. till 12:30.

The clinic, organized by Zebra head coach Gary Green, is in its second year and is aimed to give coaches better knowledge of the fundamentals as well as game strategy.

Green heads an impressive staff which include Jim Chrowowski, assistant baseball coach; Tom Laslo, Stevenson Junior High Coach, and Al Pitt, reserve coach, who will be on hand at the clinic.

For further information, Gary can be reached at Wayne Memorial High (PA 1-2660) or at home (721-2107), more to come

Belleville's Kaminskis Has a 'Senior Headache'

Oh, where, oh where is Belleville's baseball team? You better not ask veteran head coach Vitold Kaminskis, you may be surprised at the answer.

Kaminskis, who prepares to launch the season on Monday against Suburban Six Conference rival, Livonia Bentley, is not only plagued by the lack of experienced ball players this season - but his seniors headed for New York with their class for the Easter Vacations.

"We got a lot of work ahead of us," said Kaminskis who usually comes up with title contenders in the league. "And most of the teams in the league have plenty of talent."

"Redford Union, I hear has won five in a row," he said, "and we haven't even had

five practices together as a team."

Kaminskis said that most of his underclassmen including some good-looking sophomores have been practicing, but without the seniors it was almost impossible to say what calibre of team he would field.

Belleville has a string of five games beginning Monday. After the Bentley match (which is a "big one"), the Tigers play Romulus (Tuesday), Wayne (Wednesday), Allen Park (Thursday) and Dearborn Edsel Ford (Friday).

If Belleville is to overcome its late start, its players will have to hustle. The Tigers have several good-looking prospects including captain Gary Gentile, pitcher-outfielder Bruce Bara and Norm Harrington.

Coach Kaminskis will try to fill in the patches in his lineup with outfielders Paul Munn, Dick Wenzel (also may pitch) Ron Music while infielders Bill Lambert, Paul Kos and Harrington are also available.

And of these Gentile, Munn, Lambert, Music, Kos, Harrington, and Bara are all seniors and missed practice sessions during the holiday break.

No wonder coaches age fast.

Rick Clack Qualifies

Former Garden City East cage star Rick Clack is one of the top 24 contestants to qualify for the rollofs in the Michigan Junior Bowling Championship to be held at Schaefer Lanes in Dearborn.

Rick posted games of 186-

170 and 232 and also came up with 170-176 and 206 for a 1140 series.

The roll off for the State Championship will take place on Sunday, April 20, at the Schaefer Lanes.

Eagles Look for 1st Track Victory

After two unsuccessful and frustrating attempts, Romulus will try again Thursday to get into the victory columns in track. The Eagles lost their dual meet opener to Ypsilanti 74-44 and fell to Monroe Catholic Central in another non-leaguer 63-55.

Monroe clinched the close meet when its mile relay four-some pulled up with a 3:52 performance to the Eagles' 3:58.

Roy Williams continued to provide coach Ed Baum's team with double victories in the dashes. Williams ran a 10.8 and 23.6 for the 100 and 220 against Ypsilanti and came back with a 10.6 and 23.3 to win against Catholic Central.

Nate Williams won the shot put against Ypsilanti when he

tossed the shot 59 feet, 6 1/2 inches and Warren Bonam leaped 18 feet, 10 inches in the broad jump while Daniel Brown accounted for the pole vault victory against the Braves.

Romulus also received a double victory from Larry Smith, recent All-Area cage selection, in the high and low hurdles. He ran a 14.8 for the high and came up with a 19.7 for the lows.

John Wilson had a 2:08.5 clocking for the half-mile and the sprint relay team of Williams, George Doyle, John Arrington and Bonam carded a 1:39.4 for the victory. Bonam leaped 20 feet, 3 1/2 inches for the long jump and Williams' heave of 44 feet was good enough for first place honors in the shot put.

Hazel Park Draws Top Race Stables

Competition has been honed to a razor's edge in the thoroughbred race meeting at Hazel Park Race Track these days. The meet has drawn more outstanding stables and riders than ever before. The reason is clear enough: This is where the money is.

For the first big Saturday (April 19) of the new meeting, Hazel Park will offer a strong

ten-race card with three top features --- the \$15,000 Executive Handicap, the \$7,500 Michigan Bred Handicap and the \$7,500 Water Wonderland Handicap.

Post parade for the first race begins on Saturdays and holidays at 2:10 p.m., and on weekdays at 3:20 p.m. The meeting will continue daily except Sundays through July 26.

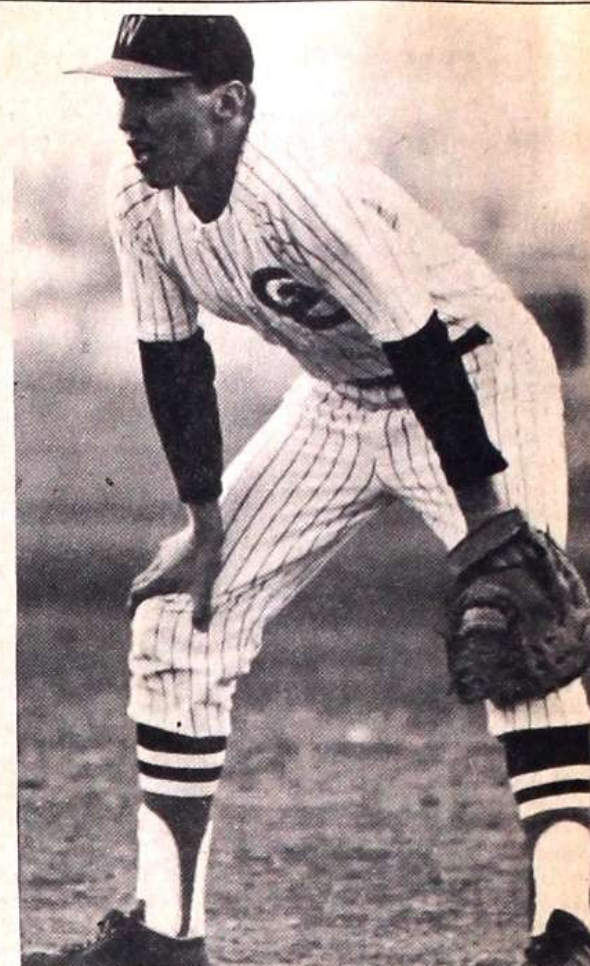

Hazel Park has achieved an unusually high quality of racing because purses have risen steadily to all-time highs. Last year Paul F. Ternes' fleet Michigan-bred three year old, Campion Kid, started seven times at the Friendly Track, winning six and taking one second. He earned \$45,512, a new track record in winnings for a single meeting.

The late Clifford Lusk's Blarney Kiss, first home in the Michigan Derby, was a close second with \$45,225 for taking two wins in two tries. Frank J. Carlin's Alhambra Son was third with \$37,834, followed by Edward J. Grosfield's Yorkville with \$31,805, David Shaer's I'm Smiley with \$26,287 and Mildred Kerr's Stanislas with \$24,449.

Mt. Clemens Opens Track

Hard-driving Art Sommers is gunning for his second straight superstock season points championship in the new campaign at the Mt. Clemens Race Track.

Sommers came on like gang-busters in the closing weeks at Mt. Clemens last year to beat out Erv Baumgarten, Ray Nece, Art Pierson, Mike Diviny and a host of other top pilots for the honor. He was 24 years old, one of the youngest wheelmen ever to take the crown.

Promoter Pete Magrie has scheduled Sunday afternoon speed card at the popular Mt. Clemens track for Sunday, April 20. He will present both sportsmen and superstock events, with time trials at noon and the first race at 2:30 p.m. As soon as the weather permits, Magrie will shift to his traditional evening schedule with races each Monday, Thursday and Saturday night.

In his bid for a second consecutive superstock title, Sommers has precedent on his side. In the past eight years, three fine drivers have managed back-to-back season titles. Jack Goodwin did it in 1962-1963. Danny Byrd duplicated the feat in 1964-65, and Ray Nece repeated in 1966-67.

Sommers is returning to action in the same 1966 Chevelli which carried him to the championship last year. He and his pit crew have been working on the car the past three months, and they are satisfied that it is ready to go.

Retaining the title won't be easy. Sommers faces the challenges of a terrific array of superstock drivers, an impressive mixture of established veterans and promising newcomers.

Teddy Write on Olympia Boxing Card

Teddy Wright, a veteran light heavyweight who always comes to fight, will clash with rugged Willie Tiger in a 10-round on the next boxing show at Olympia Stadium Friday, April 18.

In the co-feature that night, Detroit's undefeated Ronnie Harris will clash with Flint upset artist Frank Steele in a 12-round duel for the vacant Michigan welterweight championship.

World Championship Boat Race Date Set

The World's Championship Race for Unlimited Hydroplanes, to be run on the Detroit River, June 29, has been named one of the top twenty tourist attractions of the nation for June by Discover America Travel Organization, Inc., of Washington, D.C.

Spirit of Detroit Association, sponsors of the race, received notification of the honor accorded the race in a letter to Ervin A. Steiner, Jr., executive secretary, from John W. Lindeman of the national travel association.

The 1969 World's Championship Race for Unlimited Hydroplanes will attract visitors and competitors from the length and breadth of the nation when the big powerboats begin their qualifying trials Wednesday, Thursday

Kitzman's Tigers Swing Into Action

GARDEN CITY--Veteran golf mentor Dick Kitzman leads his Garden City West team into another season today against Southgate at Birch Hills at 3 p.m. The fourth year coach has only four returning members but is very hopeful about equaling his second place finish of a year ago.

One very bright spot in the Tiger links lineup is Junior Ron Smith who fires close to par. Smith, who won the opportunity last year to represent the Garden City Jaycees in a state golf meet, finished 8th out of 100 entries. Kitzman is very high on Smith and also has Senior Rick Kramer and

Juniors Mike Dunn and John Skinner back from last year. Kramer, Dunn and Skinner all shoot about 42-44 for nine holes.

All the rest are brand new, according to coach Kitzman. "Most of the boys are just learning the game," he said, "but I'm very high on Junior Pat Ruddy. He tried out last year but couldn't make the team. This year he has improved immensely and we're pretty sure of finding a spot for him," Kitzman said.

Garden City West had a practice match with Earl Bryant's John Glenn squad on Monday to tune up for their 14 league meets this year.

"The team has all the potential to make a run for the championship," Kitzman said. "Crestwood won it last year and will definitely be tough again with most of their regulars back, but if our front line comes on strong and some of the other boys improve, I think we'll be in very good shape."

Champs In Volleyball

Well-drilled Roosevelt ousted St. Mary's in a final two-out-of-three playoff to capture the City's Elementary Volleyball Championship. Roosevelt shot back from a first game 15-9 loss to St. Mary's to down them 15-12 twice to grab the title.

Roosevelt was led by Kevin Mackey, Jeff Goins, Harry Miesner, Tony Collins Mark Welch and Mike Wallace.

Golf Coach for Spartans

Cherry Hill High School's golf fortunes this year ride on a rookie coach and a trio of four year veterans who started with the very first Spartan golf squad in 1966.

Terry Nelson, 26, will be handling his first links team in league action when they open their schedule today against Riverside at Warren Valley Golf Course. Hoping to improve their last season's league mark of 7-9, Cherry Hill has three golfers who are entering their fourth year of competition.

Seniors Dan Smith, Jim Cartmill and Randy Pierce all average around the 40 mark for nine holes and are the Spartans' hope if they are to make a run for the league crown this year. Cartmill is probably the best shooter of the three when the season is in full swing.

Nelson graduated from Eastern Michigan University in 1965 with a Biology major and also has a masters in school

administration. He teaches science at Cherry Hill Junior High and has coached the Junior high basketball team for the past four seasons.

"I'm happy for this opportunity to coach the golf team," Nelson said, "and we're hopeful of improving our 7-9 league mark of last year."

Governor, Local Leaders Proclaimed Cancer Month

Eight hundred volunteers came from all over Michigan to attend the 1969 Crusade Kick-Off, of the American Cancer Society.

The slogan for this year's Crusade is "Help Yourself with a Check-up and Your Neighbor With a Check."

It is estimated that 615,000 new cases of cancer will be detected in 1969. The encouraging fact is that there are now 1,500,000 Americans cured of cancer.

The crusade (House to House Canvass) will be held April 16, 17 and 18. William Hoffines of Grand Rapids, Michigan Division Crusade Chairman, announced that the goal for Michigan is one million, five hundred thousand dollars (\$1,500,000).

The funds collected by Belleville, New Boston, and Huron Township volunteers will be used to promote educational programs and provide free dressings and other services to cancer patients throughout the County. Mrs. Victor Karvelis, crusade chairman for Belleville, New Boston and Huron Township areas, reported.

Lawrence Welk, National Crusade Chairman, was the featured speaker at the Detroit Kick-Off program.

Governor William Milliken joined by local officials, issued the following Proclamation:

"The American Cancer Society, during the month of April will carry on its

Education-Fund Raising Crusade throughout the State of Michigan. The slogan for this year is 'HELP YOURSELF WITH A CHECK-UP, AND YOUR NEIGHBOR WITH A CHECK.'

"It is estimated that more than 1,500,000 Americans are alive who have been cured of cancer and that during 1969 approximately 615,000 new cancer cases will be diagnosed for the first time. Of these, an estimated 325,000 citizens will die of this disease.

"Researchers and scientists are developing new methods

and techniques of diagnosing and treating this disease and it appears that with added knowledge in the biological and medical sciences, the final answer to cancer is within sight.

"Therefore, I, William G. Milliken, Governor of the State of Michigan, do hereby proclaim the month of April 1969, as

CANCER CONTROL MONTH in Michigan, and urge the citizens of Michigan to participate in, and support, the effort, of the American Cancer Society."

County 4-H Dress Review April 25

ROMULUS--The Wayne County 4-H Dress Review is scheduled to be held Friday evening, April 25, at the Ford Office Building Auditorium in Dearborn.

Parents and friends of 4-H are invited to attend the evening program which will begin at 7 p.m.

The following 4-H clothing girls from the Southwest Area of Romulus, Belleville, New Boston, and Flat Rock were selected to model in the County Dress Review, after competing at the 4-H Achievement program held March 15 at Huron Junior High School:

YOUNG MISS Shirley Day, Cindy Squires, Cathy Bies, Mary Dimartino, Lynn Minick, Rita Kosin, Denise Pawlowski, Cheryl Batzer, Connie Griffin, Cynthia Clark, Jeanine Wojcik, Sandy Patterson.

JUNIOR MISS-Ellen Dimartino, Michele Minick, Sharon Petri, Kay Johnson, Jan Buckberry, Cheryl Swenton, Carla Hay, Mary Kosin, Janet Alderman, Paula Memering, Lori Bies.

We are proud to announce the end of the dirtiest, rottenest, crummiest, meanest, toughest, filthiest, most exasperating, backbreaking, thankless job you can think of.

Oven cleaning. What else? It's always been number one on the hate parade. But no more. Now, there's a Gas range with an oven that cleans itself.

And it's completely automatic. The oven does all the work. And the whole job costs about 2¢.

Now, that alone is almost worth the price. But of course, it's only part of the story. With this new Gas range you have the finest money can buy. An unlimited number of heat settings gives you complete control, at all times. You will cook faster. Cleaner. And with economy that just can't be touched.

Is there any other way to cook? See the new Gas self-cleaning ranges today at dealer or Michigan Consolidated Gas Company showrooms. It's perfect for people who like to cook, period. Cook with Gas... it'll serve you right.

Peace Corps Placement Tests Set

BELLEVILLE--Area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 P.M. on Saturday, April 19 at Ann Arbor Port Office.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. The test requires no preparation and is non-competitive; an applicant can neither pass nor fail.

Persons interested in serving with the Peace Corps must fill an Application, if they have not already done so, and present it to the tester before the test. Application forms are available from post offices or from the Peace Corps in Washington, D.C. 20525.

College Sets Art Show

An entirely new concept in exhibit technique for Mercy College of Detroit will be employed this year in the annual Student Art Exhibit which opens April 27 and will continue through May.

The exhibit will be on display in a single exhibit hall on the lower level of the Student Conference Center. Various areas of artistic endeavor will be grouped to permit closer inspection of the work displayed.

The overall concept of the exhibit was conceived and

carried out under the direction of Ray Fleming, Chairman of the Art Department. Previously a maze pattern for the exhibits had been used.

Areas covered in the exhibit include: ceramics, sculpture, bronze casting, painting, drawing, crafts and design studies.

Members of the faculty will be hosts at the informal reception from 2 to 5 P.M. at the opening of the exhibit.

25,000 Mistakes Every Year

Gerald E. Montgomery, The Executive Director of the Greater Detroit Safety Council reports the average driver makes 2 1/2 mistakes for every mile he drives. If he drives 10,000 miles in a year, this adds up to 25,000 mistakes in a year. Is it any wonder there are so many traffic accidents?

Mistakes cause accidents and accidents cause injury and death—more than 55,000 motor vehicle deaths in 1968.

A recent random survey in which 10,860 drivers were tested in five miles of driving turned up these startling statistics.

An average of 13 mistakes were made in the five miles. Errors noted in the study included failure to look in all directions at intersections, placing hands in an unstable position on the steering wheel, failure to always signal intentions before turning or changing lanes, turning from improper lane and overrunning crosswalks at stop streets by not braking soon enough.

Still another study involved 3,000 drivers, who unknown to them, were followed for five minutes by a camera equipped car. Nearly all drivers made at least one error, and the average was nine per driver.

Among the mistakes made in this test, as recorded by the camera, were failure to maintain proper following distance and passing where no-passing zones were clearly marked by double yellow lines. Speeding was noted in 87 per cent of the cases.

The Greater Detroit Safety Council is in a position to assist in the correcting of these common errors.

The Council is the coordination agency for the National Safety Council's Defensive Driving Course and classes are being conducted throughout the metropolitan area.

The course consists of eight hours of classroom instruction, using the latest

and most sophisticated teaching aids.

For full information address a card or note to Greater Detroit Safety Council, 857 Virginia Park, Detroit, Michigan 48202 or telephone 873-4422.

Garden Fair Set May 2-3

WAYNE—Once again the gardening season nears and it is time to think about the myriad of chores.

The Cooperative Extension Service is going to provide answers in the forms of educational programs and displays of gardening equipment, at the 5th Annual Lawn and Garden Fair at the Michigan State Fairgrounds, Detroit. The dates for this year's program are May 2, May 3.

This one-day FREE event has drawn thousands of people from all over the area to attend and view the hundreds of educational and commercial exhibits on display. This year, however, we are planning a two-day show. The first day events, Friday, May 2, will be held in the afternoon and evening in the Community Arts Building, the Auditorium, and the outdoors. There will be educational programs and many commercial displays, ranging from fertilizer displays to lawn mower exhibits.

The second day, Saturday, May 3, from 9 a.m. to 6 p.m., the total outdoor programs comprised of educational displays planned, built, and manned by the various horticultural clubs, societies, and organizations will be resumed.

Cycle Licensing Drops in 1968

LANSING—Even though motorcycle registration hit 100,000 for the first time in Michigan history last year, the increase of the "bikes" has slowed appreciably in the past three years, the Michigan Department of State reports.

Cycle registration jumped from 36,000 in 1964 to 64,000 in 1965, the largest increase in a single year. However, last year the hike was less than 11,000 over 1967.

Pioneer Sam Maverick's Success Aired by Ford

A chain of frontier ranch and cattle events that began in mid-March some 120 years ago will culminate in another business event on April 17 when Ford introduces its new small car—the Maverick.

In the spring of 1847, (one account gives the date as March 16, and another states year was 1845) pioneer Samuel Augustus Maverick, one of the heroes of the battle for Texas independence, took over a herd of 400 cattle from a rancher who owed \$1,200 and couldn't pay the debt.

Sam, who had trained in law and invested in land, put the animals into the hands of an overseer, and apparently forgot about them.

He not only ignored his cattle, he steadfastly refused to have them branded. This bit of independence, in an area where the brand was the only seal of ownership, was to put his name into the language.

By the time the 49-ers had swept through Texas on their way west to the goldfields, the term "maverick" for any roaming, unbranded steer had evolved into a general term for a "loner" or individualist. It spread with the western movement.

SAM'S NAME, and his enduring fame, were assured.

Meanwhile—back on the ranch—the cattle continued to go unwatched and unbranded.

Apparently many of

Maverick's "mavericks" became somebody else's branded cattle. As son George told it in a letter, some of the neighbors (in branding the stray calves they called mavericks) "profited by Maverick's indirect liberality, thus jokingly gave him the credit for it and while they secured the profits, he was permitted to acquire the experience."

The result was that after a decade—some writers even put the time span as high as 28 years—the herd showed no sign of natural increase, still numbering just 400 head.

Sam Maverick left the cattle business by selling off the whole lot for \$2,400, double the \$3 a head he paid in the original debt settlement, and with an apparent 100 per cent profit.

The buyer also carried a name famous in history. He was A. Toutant de Beauregard, brother of the famed Confederate Army general.

HIS LUCK with the mavericks notwithstanding, Sam apparently did not suffer severe financial deprivation. When he died in 1870—that date at least appears not to be in question—Sam Maverick reputedly was one of the state's wealthiest men, owning vast stretches of land from San Antonio to the Mexican border, plus some islands in the Gulf for good measure.

Students Get Train Ride

BELLEVILLE—A train ride to Detroit climaxed a class project of a Primary Special Education class at Sumpter Elementary School, Sumpter.

The train ride was taken by students of Mrs. Winifred Lusk's class on Thursday, April 3.

The unusual learning experiment was in conjunction with a class project on the study of transportation.

The purpose of the train journey was to have students learn about and practice good social manners on the train as well as in a restaurant where lunch was ordered and paid for by the students. And to learn how the train and

State Space Aeronautics Unit Hosts Astronaut Jim McDivitt

ONE OF THE most famous and outstanding heroes of modern aviation, who was command pilot of the recent space flight of the Apollo 9 left no doubts anywhere in the world that the United States would be hard to compete with in the world of space flight, will arrive at Metro this Friday.

Astronaut James. A. McDivitt, command pilot of the Apollo 9, will be honored this Saturday night before a joint meeting of the Michigan Aeronautics and the Michigan Aircraft Pilots Association at Cobo Hall.

Over 800 people from every phase of the aviation industry are expected to attend. They will represent airlines, manufacturers, schools and the military.

Astronaut McDivitt, whose home is in nearby Jackson, Michigan, led the trip of astronauts last month on the space flight of the Apollo 9 ten-day earth-orbit mission.

It was during this historic flight that the first actual flight test of the lunar landing model was made. This was a rehearsal for the coming moon flight that will place the first American astronaut on the moon sometime late this year.

McDivitt achieved world-wide fame and carved a niche

in the aviation hall of fame when he commanded the Gemini 4 in June, 1965. It was during this flight that an American astronaut made the first famous "space walk," when McDivitt's fellow astronaut, Ed White, left the Gemini 4 space capsule and stepped out into an endless void of space.

Thus Ed White became first of the select few who experienced the thrill of drifting weightlessly high above the earth while traveling at 17,000 miles per hour, linked to the spacecraft by only a thin 25-foot tether.

White actually strolled from Hawaii to Bermuda performing this experiment, called EVA (extra vehicular activity) for 21-minutes, before Command Pilot McDivitt ordered him back into the Gemini 4. While White was performing his space walk, McDivitt called the signals and took many outstanding photographs of this historic first in the United States space program.

McDivitt is a graduate of Kalamazoo Central High School and obtained a bachelor of science degree in aeronautical engineering from the University of Michigan in 1959.

It was while he was attending the University of Michigan that McDivitt became a familiar figure around Metro Airport. To keep his flight status active and up to date with the Air Force, McDivitt would spend weekends at Michigan Air National Guard base at Metro Airport.

Today he is a lieutenant colonel in the U.S. Air Force and frequently stops at Metro on his visits to Michigan, where accommodations are available for the military type of aircraft that most of the astronauts fly when they are away from the NASA center in Texas or Cape Kennedy in Florida.

During the Korean War, McDivitt flew 145 combat missions. These missions were flown in Lockheed F-80 jet fighters and the famous "Mig Killer" of the Korean War, the North American F-86 "Sabre Jet."

In July 1967 McDivitt was acclaimed at Michigan Aeronautics and Space Association Awards Banquet and presented with a trophy as "Aircraft Pilot of the Year." Associated Newspapers Flying World columnist, Bill Balogh, reached his shining hour the same evening when he shared the spotlight with McDivitt when he too was

awarded the Creative Arts Trophy as "Outstanding Aviation Writer of the Year."

This gala event Saturday night will be the 59th anniversary meeting of the annual aviation banquet. Presiding for the evening will be Thomas F. Morrow, group vice president of the defense space group of the Chrysler Corp.

James V. Votta, executive vice president of Michigan Aeronautics and Space Association, announced today that the public is invited to attend. Advance reservation must be made through the association office at 901 Book Building, Detroit.

ASTRONAUT AT METRO-The world famous astronaut, Jim McDivitt, who was command pilot of the recent Apollo 9 space flight is a frequent visitor at Metro Airport. McDivitt uses the military facilities for his small jet aircraft when visiting his home in nearby Jackson, Mich. He is pictured here preparing for departure with a friend, ANP's aviation writer Bill Balogh, to see him off.

Delta Is Flying More Jets South

DETROIT--Delta Air Lines' spring schedules, including new southbound non-stop and direct services to Atlanta, Memphis, Houston, New Orleans, Savannah and Charleston, A.J. Moreau, Delta's district director of traffic and sales, in his analysis of the new schedules, detailed several flights:

"Flight 707, a Super DC-9, evening service, leaves Detroit at 5:50 p.m. EST and arrives Atlanta at 7:24 p.m. EST. The flight then continues to Charleston, arriving there at 9:52 p.m. EST with an intermediate stop in Savannah at 8:23 p.m. EST."

Moreau said that a new Houston to Detroit Super DC-9 morning flight would leave Houston at 10:35 a.m. CST and arrive Metropolitan Airport at 2:45 p.m. EST with an intermediate Memphis stop at 12:15 p.m. CST.

Moreau said that the new service would bring Delta's total in Detroit to 30 flights daily. He emphasized that the influx of new equipment, 10 new airplanes (Super and Standard DC-8's and Super DC-9's) since December, had en-

abled the airline to offer more available daily seats than ever before. Moreau said that he expected to see a continuation of the increase in services "as more new jets are added to the fleet."

Shows Loss

WASHINGTON, D.C.--Allegheny Airlines today reported a February net loss of \$1,987,000 compared with a net loss of \$710,000 for the same month last year.

Total commercial revenues increased 21 percent during the month to \$6,984,000 while subsidy was reduced by 33 percent to \$374,000 from \$561,000 in February 1968.

ACTUAL PHOTOS - FIRST ACTUAL FLIGHT 747 JUMBO JET

THE JUMBO JET--No longer a drawing board dream, but now reality. The giant Boeing 747 has successfully been test flown and the day of the 500 passenger jetliner is now here. Picture above shows the first actual lift-off as the sky giant leaves the runway on its maiden flight. The lower photo is not a drawing board comparison but the real 747 with the regular current 707 jet alongside to depict its mammoth profile.

Astronauts Slated for Moon Trip

National Aeronautics and Space Administration reports that the Apollo II (lunar landing) mission will have as its primary objective, "To perform a manned lunar landing and return."

Beyond the successful performance of that primary goal, a feat never before attempted by humans, two astronauts, Neil A. Armstrong and Edwin E. Aldrin, will remain on the moon's surface about 22 hours. While on the surface the astronauts will complete a detailed series of test objectives, one of the most important of which will be the activation of mankind's first lunar surface experimental station.

Apollo II, now scheduled for a July 16 Cape Kennedy launch, will reach mission "high point," the attempted lunar

landing, on July 20, depending on a successful Florida departure.

Completes Training
ROMULUS-Army Private Robert G. Hartmann, 24, son of Mr. and Mrs. Stanley R. Hartmann, 24136 Goddard Road, Taylor, has completed advanced training as a combat engineer (March 7) at Ft. Leonard Wood, Mo.
During his eight-weeks of training, he received instruction in combat squad tactics, use of infantry weapons and engineer reconnaissance.

Metropolitan Opens Boat Facilities

Boat launching facilities of the Huron-Clinton Metropolitan Authority parks are now open at Metropolitan Beach near Mt. Clemens, Stony Creek Metropolitan Park near Utica, and Kensington Metropolitan Park near Milford.

Metropolitan Beach near Mt. Clemens has launching ramps that can accommodate up to eight boats at one time. The ramps are located on the Black Creek, which provides access to Lake St. Clair. The ramps are open daily until dusk.

There is no charge for boat launching in the spring and fall. However, there is a 50-cent launching fee plus the usual 50-cent parking charge from Memorial Day through Labor Day.

Detroit area residents may take the Edsel Ford (I-94) Freeway to Metropolitan Beach Parkway, which leads directly to the park entrance on Jefferson Avenue. For additional information persons may telephone Howard 3-4581 (Mt. Clemens) or Woodward 3-3022 (Detroit Line).

Stony Creek Metropolitan Park, north of Utica, has ramps that permit up to 10 launchings simultaneously. The ramps are located at the south end of Stony Creek Lake within the 3,500-acre park and provide space for 150 cars and boat trailers. The facility, which has expanded last year, will help accommodate the demand for boating facilities which has increased every year since the park opened in 1964.

First Annual Rug Hooking Bee is Now Open Event

For the first time the annual Rug Hooking Bee at Greenfield Village in Dearborn is open to all amateur and professional rug hookers in Michigan, Ohio, Indiana and Ontario. In the past participation has been by invitation only.

The exhibition and bee will be held on the Village Green at Greenfield Village on Sunday, June 8 from 11 a.m. to 4 p.m.

First, second and third prize ribbons will be awarded in eight categories: pictorial, geometric, floral, bird and animal, oriental, novelties (chairs, stools, footstools, handbags, etc.), abstract and crewel. In addition, a ribbon will be awarded for the best piece in the show.

Those wishing to enter may deliver not more than two pieces to the Frost Hooked Rug Studio at the Village during the week of May 12-17. From these a selection jury will choose not more than 75 for exhibition and judging.

ALL PIECES must have a card firmly attached, giving the name, address and telephone number of the entrant plus the name of the rug pattern and the designer. (All entries will be received at the owner's risk.)

State, U.S. Programs for Schools Requires Policy Advisory Council

ROMULUS--The Coordinator of State and Federal Programs for the Romulus Community Schools, Mrs. Lorena Burton, would like to take this opportunity to personally thank the citizens and school personnel of the Romulus Community School District for their excellent involvement and interest in the educational programs affecting adults, youth, and children of the school system.

Mrs. Burton recognizes the fact that the school must have the loyalty, cooperation, and support of the public it serves if it is to fulfill its educational task. Further, the Policy Advisory Council is an excellent method of keeping the school board of education informed about the needs of the community so that all compensatory education programs are truly responsive to and recommend promotion of these needs in planning programs.

To be successful in its purpose, the Policy Advisory Council must actively cooperate with all community leaders and agencies, as well as parents involved in or affected by compensatory education programs.

WITH THESE basic purposes as guidelines, the Romulus Community Schools Federal and State Policy Advisory Council was organized on Dec. 11, 1968, 7 p.m.

Prior to the first meeting of this group, letters were sent to the president and/or chairmen of all organizations, service clubs, churches, industries, Community Action Agency (OEO), parochial school, labor, public health agencies, and parents, representing ethnic groups and low-income parents Area Council Parent-Teacher Association, Board of Education and School Administration.

The news media was also used and word was carried through the citizens themselves.

The Council is chaired by Mrs. Theora Cass and Mrs. Helen Ruark serves as Co-Chairman. The Coordinator, herself, acts only as a resource person. The officers were selected by the members of the council and will serve for one school year.

Present at the first meeting was James House, who serves as Executive Secretary to the Wayne County Coordinators of Federal and State Programs. He stated that his job is to work with local school districts in planning a program that meets the needs of the children in that particular community (including Romulus). Also, the Wayne County Intermediate School District does have a responsibility, in particular, the allocations for Title I funds in terms of identifying the number of people who fit into the criteria to receive federal and state funds.

Dr. Ralph Steffek, Field Services, Eastern Michigan University, was the main speaker for the first meeting. He suggested the purpose of the organization was to enlist the help of the Romulus Community School District as "Soldiers In The War Against Poverty." In order to improve educational opportunities in Romulus the coordinator must be sure a group of citizens is brought together to examine the needs in Romulus Township and program to meet same, such as:

Identify the children who need the help most.

Discover what it is that they need.

Develop a program that will do something about this need.

Evaluate existing programs.

a. Assist school district to evaluate existing Title I projects.

b. Recommend changes in ESEA Title I projects as necessary.

c. Obtain information about the programs from participants and their families and submit the information to the school district.

THE MEMBERS of the board of education are the representatives of the community in matters pertaining to public education. The role of a Policy Advisory Council is not to make policy, but to make suggestions.

Because of the number of items that come before the board, it must formulate rules and regulations on making decisions. Such rules and regulations are written and are called "board policy." Board policy will usually include policies on advisory committees and relationships to community groups.

The Federal and State Program Coordinator is able to provide council members with information about board policy and how the council's concerns may be brought to the attention of the board. Also, we have an active representative on the council from the Board of Education.

To keep the board of education informed of the concerns and recommendations of the Policy Advisory Council, minutes of each meeting are submitted to the board of education each month.

The Policy Advisory Council will see that no person in the United States, shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which federal funds are received.

DR. STEFFEK's challenge to the committee was to develop such massive programs for a specific number of children that there is no question, but that it makes a difference. There should be such a clear

difference that teachers, administrators, school board members, and citizens of the community will want the program for all children in Romulus Community School district the following year. Beginning next school term we hope to plan a training program for para-professionals who participate on the council.

At this date about four sub-committees have been formed from the overall Policy Advisory Council to plan and/or evaluate specific programs, namely:

- ESEA Title I and Section 3 Sub-Committee
- Child Development (Head Start) Sub-Committee
- Vocational Education Sub-Committee
- By-Laws Sub-Committee

Present at the first meeting were 25 members and 36 members were present at the second meeting.

The next meeting will be held on Wednesday, April 16, 7 p.m. at the Romulus Senior High School Library.

Is 100th Office New Bank Branch Announced

DETROIT-The opening of the 100th domestic office of the National Bank of Detroit situated on Van Dyke Avenue, near Twenty-three Mile Road in Shelby Township, Macomb County, was announced by Robert M. Surdam, president.

"We are making this announcement during the week of the 36th anniversary of the founding of the National Bank of Detroit on March 24, 1933," Surdam said. "We believe this occasion strongly suggests NBD's continuing pattern of progress and expansion to meet community needs with service and convenience," he added.

"Our Van Dyke-23 Mile location is an excellent example of our philosophy regarding new offices," Surdam remarked.

"The 100th office is centrally located in the heart of the growing residential population of Shelby Township, which is estimated to double by 1980; and in the path of expansion of new commercial businesses along Van Dyke Avenue and the potential industrial development along the M-53 freeway.

"THE NEW branch brings to eight the total of NBD offices in the Shelby-Utica-Sterling market area, and demonstrates the desire of our bank to continue its leadership in offering the most convenient banking facilities in this very valuable and growing banking market," Surdam explained.

With its 100 offices, NBD is 13th in size in this respect among nearly 14,000 commercial banks in the country, and is the largest in the Midwest, recognizing the fact that branch banking regulations vary widely from state to state. In total assets, now nearly \$4 billion, NBD ranks 16th in the nation.

NBD has opened 68 offices since 1952, the year the bank initiated a series of mergers with existing banks in Farmington, Plymouth, Wayne, Belleville, Rochester, Utica and Grosse Pointe.

TODAY, NBD serves 31 separate municipalities and townships in the metropolitan, tri-county area.

The 100 offices do not include the international branch opened recently in London, England.

A message to those Americans who don't happen to think the land of milk and honey is going all sour.

Our country is in a strange mood these days.

Uncertainty surrounds us.

So what can you do about it? Well, first of all, maybe you should take a long, hard look at this country of ours. Maybe we should look at our healthy side as well as our ills.

And maybe, just maybe, you'll find we're not all that bad.

Sure we have our problems. And they're not going to go away if you just stand along the sidelines as a spectator.

But they might start to go away if you seriously want to do something for your country.

A U.S. Savings Bond is one way. Let's say you fork over \$18.75 of your hard-earned cash. Through a Payroll Savings Plan where you work, or at your bank. That will give you

a Bond that's worth \$25.00 in just 7 years. If you did that every month you'd stash away quite a nest egg for yourself.

And so would your country. Your country would be economically stronger to find remedies for some of the headaches we have. While it's preserving something called freedom.

Something that's hard to appreciate. Until you lose it.

Savings Bonds now have a new high interest rate of 4 1/2%. And buying them gives you the privilege of also buying the even higher interest 5% Freedom Shares in combination.

However you look at it, it simply makes a lot of sense to invest in your country. After all, it's the only country you've got.

Car License Sales Shatter Records

LANSING--If sale of license plates is any barometer, automotive sales could be well headed for a banner sales year.

In an analysis of the rush-period of plate buying which closed Feb. 28, Secretary of State James M. Hare said sales soared to new record highs.

Reflective of the end of February, Hare said as of March 6, sales of plates were more than a quarter-million higher than the same period in 1968.

"Actually, a gain of 200,000 based on the total licensing year is excellent," Hare said. "A hike of more than 250,000 with several months to go is nothing short of phenomenal."

The minutes of the regular meeting of February 10, 1969 and a special meeting of February 27, 1969 were read and approved as corrected.

The bills for the month of February were reviewed. Motion by Hopka, and supported by Schweigert, that the bills as presented be paid. Also that Standard Oil be advised that billing for bus gasoline should be as per agreement (number of gallons times the contracted sum per gallon), and not be two separate invoices for each month. Also that building repair and service invoices in the future shall be more specific as to the amount of labor for each repair of service rendered. Motion carried.

Superintendent Kaulitz entered the meeting at 9:00 p.m.

Motion by Hay, and supported by Muse, that contract awards for special equipment for the New Junior High School shall be all awarded to bidders as per attached recommendation of Architect Thurston Jahr. Motion carried.

Motion by Williams, and supported by Roe, that Change Order No. 1 for the new Junior High School, an addition to the contractual sum of \$1372.00, be approved. Motion carried.

Motion by Hopka, and supported by Muse, that the Van Buren Public Schools enter into an agreement with the Ashtenaw County Intermediate School District for data processing service, at an annual cost of \$2.50 per child as determined by the 4th Friday of September, State Membership Report. Motion carried.

Motion by Williams, and supported by Schweigert, that Mr. Robert Archer, Mr. Bart Berg, Mr. Rex Buss, Mr. Justin Emerson, Mrs. Gerald Miller, Mrs. Bert Smith, and Mr. Irving Wallace be appointed by the Board of Education as the basic beginning of Citizens Study Committee which it is hoped will expand by its own action to 30 to 40 people. Motion carried.

Motion by Hopka, and supported by Schweigert, that the recommendation of Principal Ford, as attached, regarding the handling of student protests be accepted. Mrs. Roe requested a roll call vote.

Aye: Hay, Hopka, Schweigert, Williams, Muse.

No: Roe.

After completion of the agenda, President Bole announced the meeting open to discussion from the audience.

Motion by Roe, and supported by Muse, that this meeting be adjourned.

Carried: Unanimously.

Upon Motion by Palmer, and supported by Walters, the following resolution was offered:

RESOLUTION

WHEREAS, pursuant to the provisions of Act 189 of the Public Acts of Michigan 1968, this Council did determine to hold and did hold public hearings on the proposed district surrounding urban renewal project No. 1 (development area within said district) on September 10, 1968 and

WHEREAS, following said hearing, this Council did on September 10, 1968, adopt Ordinance No. 68-103, entitled "An ordinance to designate a district area surrounding urban renewal project No. 1 and to designate the development area within said district," and

WHEREAS, pursuant to the provisions of Act 189 of the Public Acts of Michigan 1968, this Council did determine to hold and did hold public hearings on the proposed method of selection of the citizens district council on September 16, 1968, and

WHEREAS, following said hearing this Council did on September 16, 1968, adopt Ordinance No. 68-104, entitled "An ordinance establishing the method of selection of the Citizens District Council and the appointments thereto," and

WHEREAS, the Department of Housing and Urban Development has questioned the sufficiency of the notice given in connection with the above two hearings.

NOW, THEREFORE, BE IT RESOLVED, that this Council does hereby determine to hold a public hearing to re-consider the proposed district area surrounding urban renewal project No. 1 (development area) at a regular Council meeting to be held on Monday, May 5, 1969 at 8:00 o'clock p.m. in the Council Chambers, City Hall, 6 Main St., Belleville, Michigan.

BE IT FURTHER RESOLVED, that this Council does hereby determine to hold a public hearing to re-consider the method of selection of the Citizens District Council and the appointments thereto at a regular meeting of the City Council to be held on Monday, May 5, 1969, at 9:00 o'clock p.m. in the Council Chambers, City Hall, 6 Main St., Belleville, Michigan; provided, however, that if any change be made in the district area as established by Ordinance No. 68-103, as a result of the hearing on such matter to be held at 8:00 p.m. that the hearing with reference to establishing the method of selection of the Citizens District Council and the appointments thereto scheduled for 9:00 p.m. on May 5, 1969, will be adjourned to a future date.

BE IT FURTHER RESOLVED, that the City Clerk shall give notice of said hearings and the purpose thereof not less than 20 days nor more than 30 days prior to May 5, 1969, be published in the Belleville Enterprise, being a newspaper of general circulation within the City of Belleville.

BE IT FURTHER RESOLVED, that the City Clerk shall give notice of said hearings and the purpose thereof by mailing a notice of each owner of land in the development area and any surrounding territory proposed to be included in the district area as such owner is shown on the assessor's records; said notice to be mailed at least 20 days prior to the hearing.

BE IT FURTHER RESOLVED, that notice of said hearings and the purpose hereof be distributed in such a manner that the residents or occupants of each dwelling, commercial or industrial unit in the development area and any surrounding territory proposed to be included in the district area, will actually receive notice or expect to receive said notice. Said notice to be distributed at least 20 days prior to said hearings.

Upon Motion by Councilman Palmer, supported by Councilman Boone, the following resolution was offered:

RESOLUTION

WHEREAS, the City of Belleville has been attempting to construct storm sewers and sanitary sewers and associated appurtenances in order to separate an existing sewer system into a divided storm sewer and sanitary system to eliminate pollution contributions to the Huron River, and

WHEREAS, Brender and Brender, registered engineers, of Wayne, Michigan, has prepared drawings and specifications necessary to construct said sewer system. The estimated cost of which is \$695,200.00 and

WHEREAS, said sewer facilities and improvements will have their outlet through the Wayne County Metropolitan Sewer and Sewerage System operated by the Board of County Road Commissioners of the County of Wayne under the provisions of Act 342, Public Acts of Michigan 1939, as amended, and

WHEREAS, heretofore the City and the Board of County Road Commissioners of the County of Wayne acting for and on behalf of the City have filed an application with the Department of Housing and Urban Development seeking a federal grant in the amount of \$237,200.00 to be used for part of the construction cost of the separation of the existing sewer system into a divided storm sewer and sanitary sewer system, and

WHEREAS, the City anticipates that the federal grant in the amount of \$237,200.00 will be forthcoming, and

WHEREAS, the City feels that the most feasible way that the remaining cost of \$458,000.00 for the divided storm and sanitary sewer system can be successfully financed is under the provisions of Section 5 (a), 5 (b) and 5 (c) of Act 342, Public Acts of Michigan, 1939, as amended, and the City Council desires to enter into the necessary contracts and agreements with the Wayne County Road Commission to permit the financing of the additional \$458,000.00 and the early construction thereof.

NOW, THEREFORE, BE IT RESOLVED, that

1. This Council, acting for and in behalf of the City of Belleville, County of Wayne, State of Michigan, does hereby formally request the assistance and cooperation of the Board of County Road Commissioners of the County of Wayne, under the provisions of Act 342, Public Acts of Michigan 1939, as amended, in the construction and financing of the divided storm and sanitary sewer system outlined in the preamble hereto by accepting the \$237,200.00 grant from the Department of Housing and Urban Development and the issuance of Bonds in the amount of \$458,000.00.

2. That certified copies of this resolution be forwarded to the Board of County Road Commissioners of Wayne County, as said County agency and to the Board of Supervisors of the County of Wayne with a request for early action thereon.

AYES: BOONE, PALMER, WALTERS, SMITH.

NAYS: NONE.

Heart Care Session Scheduled

WAYNE-A free two hour class for persons whose physical reserve has been lowered by a heart ailment will be held at 1:30 p.m., Monday, April 21, in the Doctors Dining Room, Annapolis Hospital, 33155 Annapolis Road, Michigan Heart Association announced.

The "Patterns for Living" class will teach men and women easy-on-the-heart techniques to do work-including reaching, lifting, climbing, and using tools. These save time and effort and can be used either in the home or on the job.

In her classes, Mrs. Jill Merke, of the Michigan Heart Association, demonstrates how a patient with spics can make a special diet tasty, can organize work to cut frustration and fatigue, and design work areas to make jobs simpler.

"We show the cardiovascular patient how to fulfill his basic needs-being independent, having a sense of accomplishment and being as active as his disability allows" she explained.

All cardiovascular patients including those recovering from a heart attack or with congenital or rheumatic valvular defects can benefit from the class as well as victims of stroke.

The Heart Association is a Michigan United Fund Agency. For further information about "Patterns for Living" classes write to the Southern Wayne County Heart Information Center, 24365 Van Born, Taylor 48180, or call 565-5500.

CITY OF BELLEVILLE NOTICE OF PUBLIC HEARING

NOTICE OF PUBLIC HEARING ON THE DESIGNATION OF A DISTRICT AREA SURROUNDING URBAN RENEWAL PROJECT NO. 1 (DEVELOPMENT AREA)

PLEASE TAKE NOTICE that by direction of the City Council of the City of Belleville and pursuant to the provisions of Act 189 of the Public Acts of Michigan 1968, a public hearing will be held on Monday, the 5th day of May, 1969, at 8:00 o'clock p.m. in the Council Chambers in the City Hall at 6 Main Street in the City of Belleville, County of Wayne, State of Michigan for the purpose of granting any person interested the right to be heard by the Council as to any objections they might have on the district area surrounding urban renewal project No. 1 (development area) and for giving any person interested the right to be heard on the designated development area (urban renewal project No. 1). This hearing is being held in connection with the Council's reconsideration of Ordinance No. 68-103 entitled "An ordinance to designate a district area surrounding urban renewal project No. 1 and to designate the development area within said district."

The district area is:

The portion of City of Belleville lying on both sides of Liberty Street between Belleville Road and Huron River Drive; and Northwesterly of that portion of Huron River Drive South of Liberty Street; and that portion lying West of Sumpter (South Street) extended Northerly to a point where it intersects Huron River Drive.

The development area (urban renewal area No. 1) has heretofore been designated by resolution of the City Council and as set forth in Ordinance No. 68-103 is:

Lots 249 through 256, both inclusive, of Assessor's Belleville Plat No. 5.
